Attention: Mr. Jim Oliver

Re: Bannon Lakes CDD, Series 2022 Bonds

Dear Mr. Oliver:

We are writing to provide you, as the Bannon Lakes Community Development District (the "Issuer"), with certain disclosures relating to the captioned bond issue (the "Bonds"), as required by the Municipal Securities Rulemaking Board (MSRB) Rule G-17 Disclosure, as set forth in the amended and restated MSRB Notice 2019-20 (November 8, 2019)¹ (the "Notice"). We ask that you provide this letter to the appropriate person at the Issuer.

The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the "Underwriter") and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the "Bonds"). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer's interest in this transaction.

The specific parameters under which FMS will underwrite the Bonds will be set forth in a Bond Resolution adopted by the Board.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

- The Underwriter's primary role is to purchase the Bonds in an arm's-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter's compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal,

accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.

1.0 Introduction

1.1 Purpose

This report provides a methodology for allocating the debt to be incurred by the Bannon Lakes Community Development District (“Bannon Lakes CDD” or “District”) to Phase 2B and 2C properties in the District, maps and descriptions of which are included as Exhibits Eight and Nine to the Bannon Lakes CDD Supplemental Engineers Report for Master Infrastructure - **Phase 3** Improvement Capital Improvement Plan issued February 15, 2022 (the “Supplemental Engineer’s Report”), and for allocating the par amount of bonds being issued by the District to fund a portion of the master infrastructure improvements. The development plan for Phase 2B and 2C is 296 single-family units. The District’s debt will fund a portion of the master infrastructure improvements that benefit all property within the District and allows the development of property in the District. The methodology allocates this debt to properties based upon the special benefits each receives from the infrastructure program. In this case the Phase 2B and 2C property located within the District includes approximately 73.28 acres located in St. Johns County Florida. The Phase 2B and 2C properties are comprised of 38.86 and 34.42 acres respectively. This report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of the case law on this subject. This report supplements the Master and Neighborhood Special Assessment Methodology Report dated October 19, 2015 as adopted by the Board of Supervisors.

1.2 Scope of the Report

This Report provides for financing a portion of the District’s capital requirements necessary to provide the community infrastructure improvements described in the Bannon Lakes CDD District Engineers Report Capital Improvement Plan dated November 23, 2015, as supplemented by the Supplemental Engineer’s Report (collectively the “Engineer’s Report”). This Report also describes the apportionment of benefits and special assessments resulting from the provision of improvements to the lands within the District.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the property, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large.

However, as discussed within this report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to property within the District. The infrastructure program of the District enables properties within its boundaries to be developed. Without the District's Capital Improvement Program, there would be no infrastructure to support development of land within the District. Without these improvements, state law would prohibit development of property within the District.

There is no doubt that the general public, property owners, and property outside the District will benefit from the provision of District infrastructure. However, these are incidental to the District's infrastructure program, which is designed solely to provide special benefits peculiar to property within the District. Properties outside the District do not depend upon the District's Capital Improvement Program as defined herein to obtain, or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District properties receive compared to those lying outside of the District's boundaries. Even though the exact value of the benefits provided by the District's Capital Improvement Program is difficult to estimate at this point, it is nevertheless greater than the costs associated with providing same.

1.4 Organization of this Report

Section One describes the purpose of the report along with the scope and benefits of the Capital Improvement Program.

Section Two describes the development program as proposed by the Developer.

Section Three provides a summary of the Capital Improvement Program for the District as determined by the District Engineer.

Section Four discusses the financing program for the District.

Section Five introduces the Assessment Methodology.

2.0 Development Program for Bannon Lakes CDD- Phase 2B and 2C

2.1 Overview

The Bannon Lakes CDD consists of approximately 559.24 acres in St. Johns County. The District was originally established with 579.53 acres and was amended to remove a parcel consisting of 20.29 acres. The proposed land use within the District is consistent with the St. Johns County, Florida Land Use and Comprehensive Plans.

2.2 The Development Program- Phase 2B and 2C

The planned development program for Phase 2B and 2C will consist of 296 single family residential units, located within St. Johns County. Phase 2B contains 133 single family units and Phase 2C is planned for 163 single family units.

3.0 The Capital Improvement Program for Bannon Lakes CDD- Phase 2B and 2C

3.1 Engineering Report

The infrastructure costs to be funded by the Bannon Lakes CDD are determined by the District Engineer in the Engineer's Report. The Engineer's Report provides for the master infrastructure improvements, which are planned for construction. Only infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes, was included in these estimates.

3.2 Capital Improvement Program

The proposed Phase 2B and 2C master infrastructure improvements to serve the development consist of certain roadway improvements, master potable water/wastewater/reuse improvements, stormwater, recreation and off-site infrastructure (the "Capital Improvement Program" or CIP). The community infrastructure will represent a system of improvements that irrespective of certain exceptions described further in Section 5.1 of this Report, will provide benefits to all lands within the District. **Table 2** provides for the cost estimates of the capital master infrastructure improvements for Phase 2B and 2C.

The total costs for the Phase 2B and 2C Capital Improvement Program that will be provided by the District are calculated by adding to the construction

costs the costs for design, permitting, construction management and contingencies total \$9,716,346.

4.0 Financing Program for Bannon Lakes CDD

4.1 Overview

As noted above, the District is embarking on a program of capital improvements, which will facilitate the development of a portion of lands within the District. Construction of certain improvements of the Capital Improvement Program may be funded by the Developer and acquired by the District under an agreement between the District and the Developer, or maybe funded directly by the District.

The District will finance a portion of its Capital Improvement Program with Special Assessment Revenue Bonds. The financing plan for the District includes the issuance of Special Assessment Revenue Bonds Series 2022 (the "Series 2022 Bonds") in the principal amount of \$9,250,000 to fund a portion of the District's Capital Improvement Program, as shown in **Table 2**. The District may issue additional bonds for development of future phases.

4.2 Series 2022 Bonds

The Series 2022 Bonds will have interest payments capitalized through November 1, 2024. The Series 2022 Bonds will be repaid with thirty principal installments commencing on May 1, 2025 with interest paid semiannually every November and May 1.

The Series 2022 Bonds will be issued at a par amount of \$9,250,000 and an average coupon interest rate of 3.80 % and provide for construction funds of \$7,660,178. The Series 2022 bonds have a thirty-year term with annual payments. The net maximum annual debt service for the Series 2022 Bonds is \$522,144.

The difference between the par amount of bonds and the construction funds are comprised of costs of issuance including underwriter's discount and professional fees associated with debt issuance, capitalized interest costs through November 1, 2024 as the District will be borrowing funds with which it will pay the early interest payments, and debt service reserve.

Sources and uses of the Series 2022 Bond funding are presented in **Table 3** in the Appendix.

5.0 Assessment Methodology

5.1 Overview

The Series 2022 Bonds provide the District with funds to construct a portion of the CIP outlined in *Section 3.2 and the Engineer's Report*. These improvements lead to special and general benefits, with special benefits accruing generally to the properties within the boundaries of the District and general benefits accruing to areas outside the District and being only incidental in nature. The debt incurred in financing infrastructure construction will be paid off by assessing properties that derive special and peculiar benefits from the proposed projects. All properties that receive special benefits from the District's Capital Improvement Program will be assessed except for the commercial / office space lands. As noted herein, the Developer has made contributions of infrastructure equal to or more than the benefit received on these commercial / office space lands and such lands will not be subject to debt assessments.

5.2 Assigning Debt

The planned development plan for the District projects construction of infrastructure for the development or which will allow development of approximately 986 single family residential units. The Developer has made contributions of infrastructure for the commercial / office space development units equal to the benefit received from the CIP related to such lands which were removed from the District with a boundary amendment approved by the County on January 18, 2018. The Developer paid for portions of the project without reimbursement or payment by the CDD. Specifically, these improvements were for International Golf Parkway in the amount of \$5,033,338 and, as a result, a contribution of infrastructure in lieu of assessments will be recognized for the value of the improvements. Thus, the lands on which these units are constructed will not be subject to debt assessments imposed by the District.

The Master Infrastructure provided by the District will include roadway improvements, potable water / wastewater / reuse improvements, wetland mitigation, stormwater improvements, recreation and offsite improvements. All development within the District will benefit from all Master Infrastructure improvement categories, as the improvements provide basic infrastructure to all lands within the District and benefit all lands within the District as an integrated system of improvements.

As the provision of the above listed improvements by the District will make the lands in the District developable, the land will become more valuable to their owners. The increase in the value of the land provides the logical benefit of improvements that accrues to the developable parcels within the District.

The Bond Series 2022 Debt Assessments will be allocated on all assessable lands within Phase 2B and 2C. As noted herein, the improvements being funded with the Series 2022 Bonds benefit all of the developable property within the District, however, the Bond Series 2022 Debt Assessments are being allocated to only the Phase 2B and 2C Property because such property was not allocated debt from the Districts 2016 Bonds and the 2021 Bonds. The levy will be based upon development units assigned to Phase 2B of 133 units and Phase 2C of 163 single family units.

The debt incurred by the District to fund the CIP is allocated to the properties receiving special benefits on the basis of development intensity and density. The responsibility for the repayment of the District's debt through assessments will ultimately be distributed in proportion to the special benefit peculiar to the land within the District, as it may be classified within each of the land use categories. For the purpose of determining the special benefit accruing to the lands within District, the proposed public Capital Improvement Program costs have been allocated to each residential unit in on an equal basis.

5.3 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in Section 1.3, Special Benefits and General Benefits, improvements undertaken by the District create special and peculiar benefits to certain properties within the District.

Improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property. The special and peculiar benefits resulting from each improvement undertaken by the District are:

- a. Roadway Improvements result in special and peculiar benefits such as the added use of the property, added enjoyment of the property, and likely increased marketability of the property.
- b. Utility – Potable Water/Wastewater/Reuse Improvements result in special and peculiar benefits such as the added use of the property, added enjoyment of the property, and likely increased marketability and value of the property.

- c. Stormwater Improvements and wetland mitigation result in special and peculiar benefits such as the added enjoyment of the property, and likely increased marketability and value of the property.
- d. Recreational improvements result in special and peculiar benefits such as the added use of the property, added enjoyment of the property, and likely increased marketability of the property.

These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value, however, each is more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.4 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the Improvements is delineated in **Table 4** (expressed as Allocation of Total Par Debt).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and or construction of the District's improvements (and the concomitant responsibility for the payment of the resultant and allocated debt) have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use.

Accordingly, no acre or parcel of property within the boundaries of the District will be liened for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property. Further, the debt allocation will not be affected.

In accordance with the benefit allocation in **Table 4**, Total Par Debt has been calculated on an equal residential unit basis.

5.5 True-Up Mechanism

As noted herein, the Bond Series 2022 Debt Assessments are being allocated to only the Phase 2B and 2C Property because such property was not allocated debt from the District's 2016 Bonds or 2021 Bonds. Phase 2B has been sold to a homebuilder with assigned development rights for 133 single family units. The Series 2022 Debt Assessments will be allocated equally to the 296 single family units and, if fewer than 296 single family

units are platted within Phase 2B and 2C, a true up payment will be required in the amount of Bond Series 2022 Debt Assessments allocated to the units no longer being platted within Phase 2B and 2C. True up payments, if any, are part of the Bond Series 2022 Debt Assessments and shall be collected and enforced in the same manner as the Bond Series 2022 Debt Assessments.

WHEREAS, the District is authorized by the Act to make payments of principal, interest, and premium, if any, with respect to its bonds by levying and collecting special assessments on property located within the District and specially benefited by the assessable improvements to be financed with certain proceeds of its bonds; and

WHEREAS, the District pursuant to its Resolution 2016-28 (the “Bond Resolution”) authorized the issuance of its not exceeding \$95,905,000 principal amount of its special assessment revenue bonds (the “Bonds”) in separate series for the purposes set forth in said Bond Resolution and approved the form of the Master Indenture (hereinafter defined) in substantially the form attached to the Bond Resolution; and

WHEREAS, the Bonds were validated by the Circuit Court of the Fourth Judicial Circuit of the State of Florida in and for St. Johns County, Florida, rendered on December 2, 2015, and the appeal period from such final judgment has expired with no appeal being taken; and

WHEREAS, pursuant to the Bond Resolution and the Master Indenture, as supplemented by a First Supplemental Trust Indenture dated as of January 1, 2016, the Issuer has previously issued its \$11,850,000 Bannan Lakes Community Development District Special Assessment Bonds, Series 2016; and

WHEREAS, the District now desires to supplement the Bond Resolution, to authorize the issuance of and award the sale of its Special Assessment Revenue Bonds, Series 2022 in a principal amount not exceeding \$10,500,000 (the “2022 Bonds”), to approve the Supplemental Indenture (hereinafter defined) and to provide for various other matters relating to the issuance of the 2022 Bonds; and

WHEREAS, the Board of Supervisors of the District (the “Board”) has received from FMSbonds, Inc. (the “Underwriter”) a proposal in the form of a Bond Purchase Contract (the “Contract”) for the purchase of the 2022 Bonds and the Board has determined that acceptance of such proposal and the sale of the 2022 Bonds to the Underwriter is in the best interest of the District for the reasons hereafter indicated;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF BANNON LAKES COMMUNITY DEVELOPMENT DISTRICT, as follows:

SECTION 1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture (hereinafter defined).

SECTION 2. Authorization. There is hereby authorized to be issued the 2022 Bonds in a principal amount not exceeding \$10,500,000. The 2022 Bonds shall be issued under and secured by that Master Trust Indenture (the “Master Indenture”) as supplemented by that Third Supplemental Trust Indenture (the “Supplemental Indenture”) both by and between the District and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”) (the Master Indenture and the Supplemental Indenture referred to collectively as the “Indenture”). The proceeds of the 2022 Bonds shall be used for the purposes set forth in the Supplemental Indenture and the Limited Offering Memorandum (hereinafter defined).

SECTION 3. Approval of Supplemental Indenture. The Supplemental Indenture is hereby approved in substantially the form set forth as part of **Exhibit A** hereto and the Chairman or the Vice Chairman of the Board are hereby authorized and directed to execute and deliver such Supplemental Indenture on behalf of and in the name of the District with such changes, amendments, modifications, omissions and additions as may be approved by the executing Chairman or Vice Chairman and the Secretary or any Assistant Secretary of the Board is hereby

authorized to attest such execution, with such additions and deletions therein as may be made and approved by the Chairman or the Vice Chairman executing the same, such execution to be conclusive evidence of such approval. The Trustee is hereby approved to serve as Trustee, Bond Registrar and Paying Agent under such Supplemental Indenture.

SECTION 4. Negotiated Sale. The Board hereby determines that a negotiated sale of the 2022 Bonds to the Underwriter is in the best interest of the District because of prevailing market conditions, because delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the 2022 Bonds at presently favorable interest rates, and because the nature of the security for the 2022 Bonds and the sources of payment of debt service on the 2022 Bonds require the participation of an underwriter in structuring the bond issue.

SECTION 5. Contract Approved. The Board hereby approves the Contract submitted by the Underwriter in substantially the form attached as **Exhibit B** hereto. The Chairman or Vice Chairman of the Board is hereby authorized to execute the Contract and to deliver the Contract to the Underwriter with such changes, amendments, modifications, omissions and additions as may be approved by the executing Chairman or Vice Chairman; provided that (i) the principal amount of the 2022 Bonds shall not exceed \$10,500,000; (ii) the average interest rate on the 2022 Bonds will not exceed four and one half percent (4.50%) per annum; (iii) the Underwriter's discount shall not exceed two percent (2.0%) of the principal amount of the 2022 Bonds; (iv) the 2022 Bonds shall be subject to optional redemption as set forth in the Contract; and (v) the final maturity of the 2022 Bonds shall be no later than the maximum term permitted by law.

SECTION 6. Preliminary Limited Offering Memorandum and Limited Offering Memorandum. The District hereby approves the Preliminary Limited Offering Memorandum in substantially the form attached hereto as **Exhibit C** (the "Preliminary Limited Offering Memorandum") and authorizes its distribution and use by the Underwriter in connection with the offering for the sale of the 2022 Bonds. If between the date hereof and the mailing of the Preliminary Limited Offering Memorandum it is necessary to make insertions, modifications and changes to the Preliminary Limited Offering Memorandum, the Chairman or Vice Chairman is hereby authorized to approve such insertions, changes and modifications, and, the Chairman or Vice Chairman is hereby authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") under the Securities Exchange Act of 1934, in the form as mailed and in furtherance thereof to execute a certificate evidencing same. The preparation of a final Limited Offering Memorandum is hereby approved and the Chairman or Vice Chairman is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the 2022 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the 2022 Bonds. The Limited Offering Memorandum shall be substantially in the form of the final Preliminary Limited Offering Memorandum, with such changes as shall be approved by the Chairman or Vice Chairman as necessary to conform to the details of the 2022 Bonds and such other insertions, modifications and changes as may be approved by the Chairman or Vice Chairman. The execution and delivery of the Limited Offering Memorandum by the Chairman shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the 2022 Bonds.

SECTION 7. Form of 2022 Bonds. The 2022 Bonds shall be in substantially the form as set forth in the exhibit to the Supplemental Indenture, with such additions, deletions and other changes thereto as the officials of the Board executing the 2022 Bonds shall approve, such approval to be conclusively evidenced by the execution of the 2022 Bonds (by manual or facsimile signature) by such officials. The form and content of the Continuing Disclosure Agreement (the “Disclosure Document”) relating to the 2022 Bonds attached hereto as **Exhibit D** is hereby approved. The Chairman or Vice Chairman and the Secretary or any Assistant Secretary are hereby authorized to execute on behalf of the District the Disclosure Document in substantially the form attached hereto, with such additions, deletions, and other changes as may be necessitated by applicable law, this Resolution and the Contract as such officers may approve (such approval to be conclusively evidenced by their execution of the Disclosure Document).

SECTION 9. Application of 2022 Bond Proceeds. Proceeds of the 2022 Bonds shall be applied as provided in the Supplemental Indenture.

SECTION 10. Engineer’s Report. The District hereby approves the Bannan Lakes Community Development District Supplemental Engineer’s Report For Master Infrastructure – Phase 3 Improvements Capital Improvement Plan, dated _____, 2022, prepared by England, Thims & Miller, Inc., the District Engineer, in substantial form, and authorizes the Chairman or Vice Chairman to approve the final version of such report, with such changes as may be approved by the Chairman or Vice Chairman.

acquisition agreements, assessment true-up agreements, collateral assignments of contract rights, impact fee agreement and other agreements and instruments, between the District and the owners or developers of lands within the District as shall be necessary or desirable in connection with the issuance and delivery of the 2022 Bonds and the consummation of all transactions in connection therewith. The 2022 Bonds shall be substantially in the form set forth as **Exhibit B** to this Third Supplemental Indenture. Each 2022 Bond shall bear the designation “2022R” and be numbered consecutively from 1 upwards.

The 2022 Bonds shall be initially issued in the form of a separate single certificated fully registered 2022 Bond for each maturity of 2022 Bonds. Upon initial issuance, the ownership of such 2022 Bond shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of The Depository Trust Company, New York, New York (“DTC”), the initial Bond Depository. Except as provided in this Section 201, all of the Outstanding 2022 Bonds shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC.

With respect to 2022 Bonds registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC, the Issuer, the Trustee, the Bond Registrar and the Paying Agent shall have no responsibility or obligation to any such Bond Participant or to any Beneficial Owner. Without limiting the immediately preceding sentence, the Issuer, the Trustee, the Bond Registrar and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any Bond Participant with respect to any ownership interest in the 2022 Bonds, (ii) the delivery to any Bond Participant or any other person other than an Owner, as shown in the registration books kept by the Bond Registrar, of any notice with respect to the 2022 Bonds, including any notice of redemption, or (iii) the payment to any Bond Participant or any other person, other than an Owner, as shown in the registration books kept by the Bond Registrar, of any amount with respect to principal of, premium, if any, or interest on the 2022 Bonds. The Paying Agent shall pay all principal of, premium, if any, and interest on the 2022 Bonds only to or upon the order of the respective Owners, as shown in the registration books kept by the Bond Registrar, or their respective attorneys duly authorized in writing, as provided herein and all such payment shall be valid and effective to fully satisfy and discharge the Issuer’s obligations with respect to payment of principal of, premium, if any, and interest on the 2022 Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the registration books kept by the Bond

Registrar, shall receive a certificated 2022 Bond evidencing the obligation of the Issuer to make payments of principal, premium, if any, and interest pursuant to the provisions hereof. Prior to any transfer of the 2022 Bonds outside of the book-entry only system (including, but not limited to, the initial transfer outside of the book-entry only system) the transferor shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045, as amended. Section 304. Prepayment By Cancellation of Bonds Permitted. Any landowner or any designated Person on behalf of such landowner, may present to the Issuer 2022 Bonds purchased or otherwise acquired in the open market for cancellation and such cancellation of 2022 Bonds shall be treated as an optional prepayment of the 2022 Assessments, in an amount equal to the principal amount and accrued interest of 2022 Bonds so surrendered and cancelled. The lien of the 2022 Assessments shall be reduced to reflect such prepayment. The landowner or designated

Person on behalf of such landowner may, without the consent of the Bondholders, designate the specific lots or parcels owned by such landowner to which such prepayment shall apply and the amount prepaid with respect to each lot or parcel. The Amortization Installments with respect to 2022 Bonds remaining Outstanding shall be adjusted as provided in Section 302(b) hereof.

Section 402. Use of 2022 Bond Proceeds. (c) Any balance remaining in the 2022 Acquisition and Construction Account after the Completion Date and after retaining the amount, if any, of all remaining unpaid Costs of the 2022 Project set forth in the Engineers’ Certificate establishing such Date of Completion, shall be transferred to and deposited in the 2022 General Redemption Subaccount in the 2022 Bond Redemption Account within the Bond Redemption Fund and applied to the extraordinary mandatory redemption of the 2022 Bonds in the manner prescribed in the form of 2022 Bond set forth as **Exhibit B** hereto.

In the event that the amount in the 2022 Reserve Account exceeds the 2022 Reserve Account Requirement due to a decrease in the 2022 Reserve Account Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of 2022 Assessments against such lot or parcel or a mandatory true-up payment, the excess amount shall be transferred from 2022 Reserve Account to 2022 Bond Redemption Account and shall constitute a credit against such optional prepayment or true-up payment. In the event that the amount in the 2022 Reserve Account exceeds the 2022 Reserve Account Requirement due to a decrease in the 2022 Reserve Account Requirement for any other reason, the excess amount shall be transferred from the 2022 Reserve Account to the 2022 General Redemption Subaccount.

The Trustee, as soon as practicable after such computation, shall deposit any surplus (other than any surplus resulting from investment earnings which will be applied as provided below) in the 2022 Reserve Account to the 2022 General Redemption Subaccount.

All earnings on investments in the 2022 Reserve Account shall be deposited to the 2022 Revenue Account provided no deficiency exists in the 2022 Reserve Account; if a deficiency does exist earnings shall remain on deposit in the 2022 Reserve Account until the deficiency is cured.

Notwithstanding the foregoing; on the earliest date on which there is on deposit in the 2022 Reserve Account, sufficient monies, taking into account other monies available therefor, to pay and redeem all of the Outstanding 2022 Bonds, together with accrued interest on such 2022 Bonds to the earliest date of redemption, then the Trustee shall use the amount on deposit in the 2022 Reserve Account to pay and redeem all of the Outstanding 2022 Bonds on the earliest such date.

The Issuer may provide that the difference between the amounts on deposit in the 2022 Reserve Account and the 2022 Reserve Account Requirement shall be an amount covered by obtaining a Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit, the issuer of which is rated at the time of initial deposit to the 2022 Reserve Account in one of the two highest categories (at least AA by S&P or at least Aa by Moody's without reference to gradations) by one of such nationally recognized rating agencies. At any time after the issuance of the 2022 Bonds, the Issuer may withdraw any or all of the amount of money on deposit in the 2022 Reserve Account and substitute in its place a Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit as described above in the face amount of such withdrawal, and such withdrawn moneys shall, after payment of the premium for such Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit, be used for any lawful purpose of the Issuer.

Section 406. Application of 2022 Prepayments; 2022 Prepayment Subaccount. All 2022 Prepayments shall upon receipt by the Trustee be deposited to the 2022 Prepayment Subaccount. At the time the Issuer deposits 2022 Prepayments with the Trustee it shall notify the Trustee in

writing as to the amount of 2022 Prepayment principal. Amounts on deposit in the 2022 Prepayment Subaccount shall be applied to the redemption of the 2022 Bonds as provided for the extraordinary mandatory redemption set forth in **Exhibit B** hereto.

Section 407. Tax Covenants and Rebate Account. The Issuer shall comply with the Arbitrage Certificate (including deposits to and payments from the 2022 Rebate Account) included as part of the closing transcript for the 2022 Bonds, as amended and supplemented from time to time in accordance with its terms. Amounts in the 2022 Rebate Account shall be invested only in Government Obligations. To the extent any amounts in the 2022 Rebate Account are not needed to comply with the Arbitrage Certificate, such amounts shall be transferred as directed in writing by the Issuer to any other fund or account created hereunder.

Section 408. Application of 2022 Assessments and Investment Earnings.

(a) Pursuant to Section 6.03 of the Master Indenture, 2022 Assessments (except for 2022 Prepayments which shall be identified as such by the Issuer to the Trustee and deposited in the 2022 Prepayment Subaccount) shall be deposited by the Trustee into the 2022 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 408(b) of this Third Supplemental Indenture.

FIRST, no later than the Business Day preceding the first May 1 for which there is an insufficient amount from 2022 Bond proceeds (or investment earnings thereon) on deposit in the 2022 Interest Account of the Debt Service Fund to be applied to the payment of interest on the 2022 Bonds on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter, to the 2022 Interest Account an amount equal to the interest on the 2022 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the 2022 Interest Account not previously credited;

SECOND, beginning on the Business Day preceding May 1, 2022, no later than the Business Day next preceding each May 1, to the 2022 Sinking Fund Account an amount equal to the Amortization Installment for such May 1, less any amount on deposit in the 2022 Sinking Fund Account not previously credited;

THIRD, no later than the Business Day preceding the first November 1 for which there is an insufficient amount from 2022 Bond proceeds (or investment earnings thereon) on deposit in the 2022 Interest Account of the Debt Service Fund to be applied to the payment of interest on the 2022 Bonds on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter, to the 2022 Interest Account an amount equal to the interest on the 2022 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the 2022 Interest Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1 and November 1, to the 2022 Reserve Account an amount equal to the amount, if any, which is necessary to make the amount on deposit in the 2022 Reserve Account equal the 2022 Reserve Account Requirement;

SIXTH, the balance of any moneys remaining after making the foregoing deposits shall remain in the 2022 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the 2022 Rebate Account, in which case, the Issuer shall direct the Trustee in writing to make such deposit thereto.

The Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the written direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the 2022 Bond Redemption Account.

(c) Moneys to be deposited into the 2022 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the 2022 General Redemption Subaccount, except for (i) 2022 Prepayments, which shall be deposited to the 2022 Prepayment Subaccount, and (ii) monies provided for the optional redemption of 2022 Bonds, which shall be deposited to the 2022 Optional Redemption Subaccount. Moneys in the subaccounts of the 2022 Bond Redemption Account shall be applied as follows:

(A) Moneys in the 2022 General Redemption Subaccount shall be used as soon as practicable to call 2022 Bonds for extraordinary mandatory redemption pursuant to the applicable mandatory redemption provision;

(B) Moneys on deposit in the 2022 Optional Redemption Subaccount shall be used as soon as practicable to optionally redeem all or a portion of the 2022 Bonds then subject to optional redemption as directed in writing by the Issuer; and

(C) On each March 15, June 15, September 15 and December 15 (or if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the 2022 Prepayment Subaccount and, if the balance therein is greater than zero, shall transfer (but only after transferring sufficient amounts as directed in writing by the Issuer to make the transfers required by (d) below and confirming that such transfer will not result in a deficiency in any of the transfers required by Section 408(b) FIRST through FIFTH above), from the 2022 Revenue Account for deposit into the 2022 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to the next integral multiple of \$5,000, and, shall thereupon give notice and cause the extraordinary mandatory redemption of 2022 Bonds on the next succeeding Quarterly Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the 2022 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the 2022 Bonds. All interest due in regard to such prepayments shall be paid from the 2022 Interest Account.

(d) On any date required by the Arbitrage Certificate, the Issuer shall give the Trustee written direction, and the Trustee shall, transfer from the 2022 Revenue Account to the 2022 Rebate Account established for the 2022 Bonds in the Rebate Fund, and the Arbitrage Certificate the amount due and owing to the United States, which amount shall be paid, to the United States, when due, in accordance with such Arbitrage Certificate. To the extent insufficient moneys are on deposit in the 2022 Revenue Account to make the transfer provided for in the immediately preceding sentence the Issuer shall deposit with the Trustee from available moneys of the Issuer the amount of any such insufficiency.

(e) Anything herein or in the Master Indenture to the contrary notwithstanding, earnings on investments in the 2022 Acquisition and Construction Account shall be retained as realized in such Account and used for the purposes of such Account.

Section 409. Prepayments; Removal of Special Assessment Liens.

(a) Subject to and in accordance with the Assessment Resolutions, the owner of property subject to the 2022 Assessments may, at its option, prepay all or a portion the 2022 Assessments by paying to the District the amount of such 2022 Assessments, plus accrued interest to the next succeeding Quarterly Redemption Date (or the second succeeding Quarterly Redemption Date if such prepayment is made within 45 calendar days before a Quarterly Redemption Date). In the event the amount in the Series 2022 Reserve Account will exceed the 2022 Reserve Account Requirement as a result of such prepayment and the resulting redemption of Series 2022 Bonds, the Trustee shall transfer such excess amount from the Series 2022 Reserve Account to the 2022 Prepayment Account, as a credit against the amount otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the District.

(b) Upon receipt of a prepayment as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the District shall immediately pay the amount so received to the Trustee, and the District shall take such action as is necessary to reduce, or release and extinguish the related 2022 Assessments, as the case may be, in accordance with the Assessment Resolutions and as otherwise provided by law. Upon receipt of any such moneys from the District the Trustee shall immediately deposit such Prepayment into the 2022 Prepayment Account to be applied to the redemption of Series 2022 Bonds in accordance with this Supplemental Indenture.

The Trustee may conclusively rely on the District's determination of what moneys constitute prepayments and prepayment principal. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2022 Bonds from prepayments forty-five (45) days prior to each Quarterly Redemption Date.

ARTICLE V CONCERNING THE TRUSTEE

Section 501. Acceptance by Trustee. The Trustee accepts the trusts declared and provided in this Third Supplemental Indenture and agrees to perform such trusts upon the terms and conditions set forth in the Master Indenture as modified by this Third Supplemental Indenture.

Section 502. Limitation of Trustee's Responsibility. The Trustee shall not be responsible in any manner for the due execution of this Third Supplemental Indenture by the Issuer or for the recitals contained herein, all of which are made solely by the Issuer.

Section 503. Trustee's Duties. Except as otherwise expressly stated in this Third Supplemental Indenture, nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article XI thereof, all of which shall apply to the actions of the Trustee under this Third Supplemental Indenture.

Section 504. Brokerage Confirmations. The Issuer acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Issuer the right to receive individual confirmations of security transactions at no additional cost, as they occur, the Issuer specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish or make available to the Issuer periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

Section 505. Electronic Means. The Trustee shall have the right to accept and act upon directions or instructions given in connection with the 2022 Bonds and delivered using Electronic Means (defined below); provided, however, that the Issuer shall provide to the Trustee an incumbency certificate listing Authorized Officers with the authority to provide such directions or instructions (each an "Authorized Officer") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the Issuer elects to give the Trustee directions or instructions using Electronic Means and the Trustee in its discretion elects to act upon such directions or instructions, the Trustee's understanding of such directions or instructions shall be deemed controlling. The Issuer understands and agrees that the Trustee cannot determine the identity of the actual sender of such directions or instructions and that the Trustee shall conclusively presume that directions or instructions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Issuer shall be responsible for ensuring that only Authorized Officers transmit such directions or instructions to the Trustee and that all Authorized Officers treat applicable user and authorization codes, passwords and/or authentication keys as confidential and with extreme care. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such directions or instructions notwithstanding such directions or instructions conflict or are inconsistent with a subsequent written direction or written instruction. The Issuer agrees: (i) to assume all risks arising out of the use of Electronic Means to submit directions or instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized directions or instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting directions or instructions to the Trustee and that there may be more secure methods of transmitting directions or instructions; (iii) that the security procedures (if any) to be followed in connection with its transmission of directions or instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. "Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes,

passwords and/or authentication keys, or another method or system specified by the Trustee as available for use in connection with its services hereunder.

ARTICLE VI

LIMITATION ON ADDITIONAL DEBT

Section 601. Limitation on Additional Debt.

(a) Other than Refunding Bonds issued to refund a portion of Outstanding 2022 Bonds, the issuance of which as determined by the Issuer results in present value debt service savings, the Issuer shall not issue or incur any debt payable in whole or in part from the 2022 Pledged Revenues.

(b) So long as there are any 2022 Bonds Outstanding, the Issuer shall not issue any Bonds or other debt obligations (the “Additional Bonds”) secured by Special Assessments on any of the lands subject to the 2022 Assessments until at least ninety percent (90%) of the principal amount of the 2022 Assessments have been allocated to residences for which certificates of occupancy have been obtained.

(c) The provisions of the preceding Subsection (b) shall not apply to any Bonds or other debt obligations secured by Special Assessments on properties other than the lands subject to the 2022 Assessments. Further, notwithstanding such restriction, the District may issue Bonds secured by Special Assessments on the lands subject to the 2022 Assessments for the health, safety or welfare of the District’s residents or for the repair of the District facilities.

(d) Prior to the delivery of any such Additional Bonds or other debt obligations, the Trustee shall receive a certificate from the District Manager on which it may conclusively rely that all of the applicable conditions set forth above have been met.

ARTICLE VII

ASSESSMENT COVENANTS AND PROVISIONS

Section 701. Additional Covenant Regarding 2022 Assessments In addition, and not in limitation of, the covenants contained elsewhere in this Third Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the 2022 Assessments, including the assessment methodology reports, prepared by Government Management Services LLC (collectively, the “Assessment Methodology Reports”), and to levy the 2022 Assessments and any required true up payments as set forth in the Assessment Methodology Reports, in such manner as will generate funds sufficient to pay the principal of and interest on the 2022 Bonds, when due.

Section 702. Additional Matters Relating to Delinquent Assessments.

(a) Notwithstanding anything herein or in the Master Indenture to the contrary, the following provisions shall apply with respect to the 2022 Assessments and 2022 Bonds: If any property shall be offered for sale at a foreclosure sale for the nonpayment of any 2022 Assessments, and no person or persons shall purchase such property for an amount

equal to the full amount due on the 2022 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the Issuer, after receiving the written consent of the Trustee, acting at the written direction of the Majority Owners of the 2022 Bonds Outstanding, specifying whether the Issuer is to take title to the property in its corporate name or in the name of a special purpose entity, may purchase the property for an amount less than or equal to the balance due on the 2022 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the Issuer or by credit bidding any final foreclosure judgment and the Issuer shall receive in its corporate name or in the name of a special-purpose entity title to the property for the benefit of the Owners of the 2022 Bonds and the District, in its proportionate share, to the extent that operation and maintenance assessments were also subject to the foreclosure resulting in such foreclosure sale. The Issuer, either through its own actions, or actions caused to be taken by the Issuer through the Trustee (acting at the written direction of the Majority Owners of the 2022 Bonds Outstanding and being indemnified to its satisfaction), shall have the power to and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the 2022 Revenue Account (less the proportionate amount the District may be due from the foreclosure of any operation and maintenance assessments). The Issuer, either through its own actions, or actions caused to be taken by the Issuer through the Trustee (acting at the written direction of the Majority Owners of the 2022 Bonds Outstanding and being indemnified to its satisfaction), agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the Owners of the 2022 Bonds within sixty (60) days after the receipt of the request therefore signed by the Trustee, acting at the written direction of the Majority Owners of the 2022 Bonds Outstanding. The Issuer may pay costs associated with any actions taken by the Issuer or the Trustee pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture, provided such action does not adversely impact the tax-exempt status of the interest on the 2022 Bonds.

(b) Notwithstanding anything to the contrary herein or in the Master Indenture, the Issuer acknowledges and agrees that (i) upon failure of any property owner to pay when due any installment of 2022 Assessments that are billed directly by the Issuer, that the entire 2022 Assessments levied on the property for which such installment of 2022 Assessments is due and unpaid, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and, with the written consent of the Trustee, acting at the written direction of the Majority Owners of the 2022 Bonds Outstanding, the Issuer shall promptly, but in any event within one hundred twenty (120) days of the receipt of such consent, cause to be brought the necessary legal proceedings for the foreclosure of liens of the delinquent 2022 Assessments, including interest and penalties and (ii) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

(c) For the avoidance of doubt and notwithstanding anything to the contrary herein, the Trustee shall only be required to act under this Section 702 to the extent it

receives timely written directions upon which it may conclusively rely from the Majority Owners and has been indemnified to its satisfaction.

Section 703. Additional Matters Relating to 2022 Assessments and Assessment Proceedings. The Issuer covenants and agrees that upon the occurrence and continuance of an Event of Default with respect to the 2022 Bonds, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of delinquent Assessments that are directly billed and collected by the Issuer, as well as delinquent direct billed operation and maintenance assessments, and the provisions for the foreclosure of liens of delinquent assessments that are directly billed and collected by the Issuer, as well as delinquent direct billed operation and maintenance assessments, all in a manner consistent with the Master Indenture and this Third Supplemental Indenture. All 2022 Assessments that are billed and collected directly by the Issuer shall be due and payable by the applicable Developer no later than thirty (30) days prior to each Interest Payment Date and shall become delinquent thereafter.

Section 704. Additional Matters Relating to Events of Default.

(a) In addition to the events set forth in Section 10.02 of the Master Indenture, each of the following events shall be an Event of Default with respect to the 2022 Bonds, notwithstanding anything to the contrary in the Master Indenture:

(i) Any portion of the 2022 Assessments pledged to the 2022 Bonds shall have become delinquent and, as the result thereof, the Indenture authorizes the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in 2022 Reserve Account to pay the Debt Service Requirements on the 2022 Bonds (regardless of whether the Trustee does or does not actually withdraw such funds from the 2022 Reserve Account to pay the Debt Service Requirements on the 2022 Bonds) (the foregoing being referred to as a “2022 Reserve Account Event”) unless within sixty (60) days from the 2022 Reserve Account Event the Issuer has either (i) replenished the amounts, if any, withdrawn from the 2022 Reserve Account or (ii) the portion of the delinquent Assessments giving rise to the 2022 Reserve Account Event are paid and are no longer delinquent Assessments; and

(ii) More than fifteen percent (15%) of the operation and maintenance Assessments that are directly billed by the Issuer and levied by the Issuer on tax parcels subject to the 2022 Assessments are not paid by the date such are due and payable and such default continues for sixty (60) days after the date when due.

Section 705. Provisions relating to Bankruptcy or Insolvency of Developer.

(a) The provisions of this Section 705 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to at least three percent (3%) of the 2022 Assessments pledged to the 2022 Bonds Outstanding (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”).

(b) The Issuer acknowledges and agrees that, although the 2022 Bonds were issued by the Issuer, the Owners of the 2022 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the Issuer hereby agrees that it shall seek to secure the written consent of the Trustee, acting at the written direction of the Majority Owners of the 2022 Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the 2022 Assessments relating to the 2022 Bonds Outstanding, the Outstanding 2022 Bonds or any rights of the Trustee under the Indenture (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the 2022 Bonds Outstanding, to the proposed action if the Issuer does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent);

(ii) the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the 2022 Assessments relating to the 2022 Bonds Outstanding, the 2022 Bonds Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the Issuer hereby agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the 2022 Bonds Outstanding, to the proposed action if the Issuer does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the Issuer, as claimant with respect to the 2022 Assessments relating to the 2022 Bonds Outstanding would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the Issuer shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the 2022 Assessments relating the 2022 Bonds Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or

for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) The Issuer shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceedings or take any other action in such Proceedings, which is adverse to Trustee's enforcement or the Issuer's claim and rights with respect to the 2022 Assessments relating to the 2022 Bonds Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the 2022 Assessments pledged to the 2022 Bonds Outstanding, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

(c) Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section shall preclude the Issuer from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance Assessments, and the Issuer shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the Issuer in pursuance of its claim for operation and maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the 2022 Assessments relating to the 2022 Bonds Outstanding whether such claim is pursued by the Issuer or the Trustee; provided, however, that the Issuer shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

(d) Notwithstanding anything herein to the contrary, the Trustee shall only act in connection with a Proceeding upon timely written direction of the Majority Owners, upon which the Trustee may conclusively rely, together with indemnity satisfactory to the Trustee sufficient to cover any fees, costs and expenses (including attorney's fees, costs and expenses) of the Trustee or that may be incurred by the Trustee in connections with such Proceeding. The Trustee shall have no liability for any failure to act with respect to any Proceeding if it does not receive such written direction and indemnity in a sufficiently timely manner in order for the Trustee to meet any deadline, applicable to such Proceeding and the Trustee shall be entitled to all of the rights and protections granted to it under Article XI of the Master Indenture regardless of whether there exists an Event of Default. The District shall notify a Responsible Officer of the Trustee in writing (the "Bankruptcy Notice") immediately upon obtaining knowledge of any Proceeding. In addition to giving notice of the Proceeding in reasonable detail, the Bankruptcy Notice shall also specifically reference this Section 705(d). In the event that the Trustee receives any moneys as the result of a Proceeding, the Trustee shall first reimburse any of its outstanding fees and/or the fees, costs and expenses incurred in connection with the Proceedings (including attorney's fees, costs and expenses) prior to otherwise distributing such moneys. from the Majority Owners and has been indemnified to its satisfaction.

*Maturity

Any 2022 Bonds that are purchased by the Issuer with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of 2022 Bonds.

Upon redemption or purchase of the 2022 Bonds (other than redemption in accordance with scheduled Amortization Installments), the Issuer shall cause to be recalculated and delivered to the Trustee revised Amortization Installments recalculated so that Debt Service on the 2022 Bonds is amortized in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the 2022 Bonds.

Extraordinary Mandatory Redemption

The 2022 Bonds are subject to extraordinary mandatory redemption prior to scheduled maturity, in whole on any date or in part on any Quarterly Redemption Date, and if in part on a pro rata basis calculated by the Issuer determined by the ratio of the Outstanding principal amount of each maturity of the 2022 Bonds treating for such purposes each Amortization Installment as a maturity divided by the aggregate principal amount of Outstanding 2022 Bonds and as otherwise

provided in the Indenture, at the Redemption Price of 100% of the principal amount thereof, without premium, plus accrued interest to the redemption date, if and to the extent that any one or more of the following shall have occurred:

- (i) On or after the Date of Completion of the 2022 Project moneys are transferred from the 2022 Acquisition and Construction Account to the 2022 General Redemption Account in accordance with the terms of the Indenture; or
- (ii) Amounts are deposited into the 2022 Prepayment Subaccount from the prepayment of 2022 Assessments; or
- (iii) Amounts are deposited into the 2022 General Redemption Subaccount from the surpluses in the 2022 Reserve Account; or
- (iv) When the amount on deposit in the 2022 Reserve Account, together with other moneys available therefor are sufficient to pay and redeem all the 2022 Bonds then Outstanding as provided in the Supplemental Indenture.

Except as otherwise provided in the Indenture, if less than all of the 2022 Bonds subject to redemption shall be called for redemption, the particular such 2022 Bonds or portions of such 2022 Bonds to be redeemed shall be selected by lot by the Registrar as provided in the Indenture.

Notice of each redemption of 2022 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of 2022 Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the 2022 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such 2022 Bonds or such portions thereof on such date, interest on such 2022 Bonds or such portions thereof so called for redemption shall cease to accrue, such 2022 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such 2022 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

The Owner of this 2022 Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any 2022 Bond which remain unclaimed for three (3) years after the date when such 2022 Bond has become due and payable, either at its stated maturity date or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for three (3) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such 2022 Bond became due and payable, shall be paid to the Issuer, and thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Indenture) sufficient to pay the principal or Redemption Price of any 2022 Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such 2022 Bonds as to the 2022 Pledged Revenues shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This 2022 Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

This 2022 Bond is issued with the intent that the laws of the State of Florida shall govern its construction, without regard to conflict of law principles.

All acts, conditions and things required by the Constitution and laws of the State of Florida and the resolutions of the Issuer to happen, exist and be performed precedent to and in the issuance of this 2022 Bond and the execution of the Indenture, have happened, exist and have been performed as so required. This 2022 Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by the execution by the Trustee of the Certificate of Authentication endorsed hereon.

IN WITNESS WHEREOF, Bannon Lakes Community Development District has caused this 2022 Bond to bear the signature of the Chairperson of its Board of Supervisors and the official seal of the Issuer to be impressed or imprinted hereon and attested by the signature of the Vice-Chairperson of its Board of Supervisors.

(ST. JOHNS COUNTY, FLORIDA)
SPECIAL ASSESSMENT REVENUE BONDS, SERIES 2022

BOND PURCHASE CONTRACT

[Pricing Date]

Board of Supervisors
Bannon Lakes Community Development District
St. Johns County, Florida

Dear Ladies and Gentlemen:

FMSbonds, Inc. (the “Underwriter”) offers to enter into this Bond Purchase Contract (the “Purchase Contract”) with Bannon Lakes Community Development District (the “District”). The District is located entirely within the unincorporated area of St. Johns County, Florida (the “County”). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the “Board”), expire at 10:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$(PAR) aggregate principal amount of Bannon Lakes Community Development District Special Assessment Revenue Bonds, Series 2022 (the “Bonds”). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Bonds shall be \$_____ (representing the \$(PAR).00 aggregate principal amount of the Bonds, [plus/less net original issue premium/discount] of \$_____ and less an underwriter’s discount of \$_____). The payment for and delivery of the Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the “Closing”.

2. The Bonds. The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the “State”) created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (the “Act”), by Ordinance No. 2015-60 of the Board of County Commissioners of the County,

enacted on September 15, 2015 (the “Ordinance”). On January 16, 2018, the County enacted Ordinance 2018-2, which approved the contraction of the District’s external boundaries and resulted in the removal of 20.28+/- gross acres from the District reducing the total number of gross acres from 579.53+/- gross acres to 559.24+/- gross acres. The Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of January 1, 2016 (the “Master Indenture”), as supplemented by a Third Supplemental Trust Indenture dated as of March 1, 2022 (the “Third Supplemental Indenture” and, together with the Master Indenture, the “Indenture”) each by and between the District and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”) and Resolution No. 2016-28 and No. 2022-01 adopted by the Board on October 7, 2015 and February 2, 2022, respectively (collectively, the “Bond Resolution”). The 2022 Assessments comprising the 2022 Pledged Revenues have been levied by the District on a portion of the lands within the District pursuant to Resolution No. 2016-26, Resolution No. 2016-27, Resolution No. 2016-29, Resolution 2016-31 and Resolution No. 2022-__ adopted by the Board on October 7, 2015, October 7, 2015, November 23, 2015 and _____, 2022, respectively (collectively, the “Assessment Resolutions”).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District’s obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter’s obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) The District will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of the Bonds. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(1) “public” means any person other than an underwriter or a related party, and

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public), and

(3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and provided to the Underwriter the Preliminary Limited Offering Memorandum, dated _____, 2022 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Preliminary Limited Offering Memorandum”), of the District, relating to the Bonds that the District has deemed final as of its date, except for certain permitted omissions (the “Permitted Omissions”), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”) in connection with the limited offering of the Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the use of the Preliminary Limited Offering Memorandum by the Underwriter in connection with the limited offering of the Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date and in sufficient time to allow the Underwriter to comply with all requirements of Rule 15c2-12 and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the “MSRB”), a final Limited Offering Memorandum dated the date hereof (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Limited Offering Memorandum” and, together with the Preliminary Limited Offering Memorandum, the “Limited Offering Memoranda”). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. The District hereby ratifies the use of the Preliminary Limited Offering Memorandum and approves the circulation and use of the Limited Offering Memorandum by the Underwriter.

5. Definitions. For purposes hereof, (a) this Purchase Contract, the Indenture, the Bonds, the Continuing Disclosure Agreement to be dated as of the Closing Date, by and among the District, RREF III-P-EP Bannon Lakes JV, LLC, a Delaware limited liability company (the “Developer”), Pulte Home Company, LLC, a Michigan limited liability company (“Pulte”), and Governmental Management Services, LLC, as dissemination agent (the “Dissemination Agent”) and agreed to and acknowledged by the Trustee in substantially the form attached to the Preliminary Limited Offering Memorandum as Appendix E thereto (the “Disclosure Agreement”), and the DTC Blanket Issuer Letter of Representations entered into by the District, are referred to herein collectively as the “Financing Documents,” and (b) [the Agreement by and between the District and the Developer Regarding the Completion of Certain Improvements Relating to the 2022 Project dated as of the Closing Date (the “Completion Agreement”), Acknowledgement and Amendment to the Agreement by and between the District and the Developer Regarding the Acquisition of Certain Work Product, Infrastructure and Real Property and the Assignment of Certain Construction Contracts to be dated as of the Closing Date (the “Acquisition Agreement”), and the Declaration of Consent to Jurisdiction of the District and to Imposition of Special Assessments in recordable form by the Developer and Pulte (the “Declaration”)] [Confirm], are collectively referred to herein as the “Ancillary Agreements.”

6. Representations, Warranties and Agreements. The District hereby represents, warrants and agrees as follows:

(a) The Board is the governing body of the District and the District is and will be on the Closing Date duly organized and validly existing as a unit of special-purpose government created pursuant to the Constitution and laws of the State, including, without limitation, the Act;

(b) The District has full legal right, power and authority to: (i) adopt the Bond Resolution and the Assessment Resolutions; (ii) enter into the Financing Documents and the Ancillary Agreements; (iii) sell, issue and deliver the Bonds to the Underwriter as provided herein; (iv) apply the proceeds of the sale of the Bonds for the purposes described in the Preliminary Limited Offering Memorandum; (v) authorize and acknowledge the use of the Preliminary Limited Offering Memorandum and authorize the use and execution of the Limited Offering Memorandum; and (vi) carry out and consummate the transactions contemplated by the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements and the Preliminary Limited Offering Memorandum, including but not limited to entering into the collection agreement with the St. Johns County Tax Collector and Property Appraiser to provide for the collection of the 2022 Assessments using the Uniform Method of collection in accordance with the Indenture. The District has complied, and on the Closing Date will be in compliance in all material respects, with the terms of the Act and with the obligations on its part contained in the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements and the Bonds;

(c) At meetings of the Board that were duly called and noticed and at which a quorum was present and acting throughout, the Board duly adopted the Bond Resolution and, with the exception of the supplemental resolution reflecting the final numbers of the Bonds to be adopted on or before the Closing Date, the Assessment Resolutions, and the

same are in full force and effect and have not been supplemented, amended, modified or repealed, except as set forth therein. By all necessary official Board action, the District has duly authorized and approved the use and delivery of the Preliminary Limited Offering Memorandum and the execution and delivery of the Financing Documents, the Ancillary Agreements, the Bonds and the Limited Offering Memorandum, has duly authorized and approved the performance by the District of the obligations on its part contained in the Financing Documents, the Ancillary Agreements and the Bonds and the consummation by it of all other transactions contemplated by this Purchase Contract and the Preliminary Limited Offering Memorandum in connection with the issuance of the Bonds. Upon execution and delivery by the District and the Trustee (and assuming the due authorization, execution and delivery of the Indenture by the Trustee), the Indenture will constitute a legal, valid and binding obligation of the District, enforceable in accordance with its terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto), the Financing Documents and the Ancillary Agreements will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms; subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) The District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Bonds, the Financing Documents, the Ancillary Agreements and the Limited Offering Memorandum, the delivery of the Preliminary Limited Offering Memorandum, and the adoption of the Bond Resolution and the Assessment Resolutions, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision, or law, or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolutions, the Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute

an event of default (as therein defined) under the Bonds, the Financing Documents or the Ancillary Agreements;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which are required for the due authorization by, or which would constitute a condition precedent to, or the absence of which would materially adversely affect, the due performance by the District of its obligations, to issue the Bonds, or under the Bonds, the Bond Resolution, the Assessment Resolutions or the Financing Documents or the Ancillary Agreements have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds;

(f) The descriptions of the Bonds, the Financing Documents, the Ancillary Agreements and the 2022 Project to the extent referred to in the Preliminary Limited Offering Memorandum, conform, or with respect to the Limited Offering Memorandum will confirm, in all material respects to the Bonds, the Financing Documents, the Ancillary Agreements and the 2022 Project, respectively;

(g) The Bonds, when issued, executed and delivered in accordance with the Indenture and when delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture and upon such issuance, execution and delivery of the Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Bonds, a legally valid and binding pledge of and first lien on the 2022 Pledged Revenues. On the Closing Date, all conditions precedent to the issuance of the Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) As of the date hereof, there is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the application of the proceeds of the sale thereof for the purposes described in the Preliminary Limited Offering Memorandum or the collection of 2022 Assessments or the pledge of and lien on the 2022 Pledged Revenues, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Bonds, or the authorization of the 2022 Project, the Bond Resolution, the Assessment Resolutions, the Financing Documents and the Ancillary Agreements, or the application of the proceeds of the Bonds for the purposes set forth in the Preliminary Limited Offering Memorandum; (iv) contesting the federal tax status of the Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto, except for Permitted Omissions with respect to the Preliminary Limited Offering Memorandum;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the Closing Date, the statements and information contained in the Preliminary Limited Offering Memorandum (other than Permitted Omissions) and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions “DESCRIPTION OF THE SERIES 2022 BONDS – Book-Entry Only System,” with respect to the Developer and the Development as set forth under the caption “BONDOWNERS’ RISKS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “THE DISTRICT – The District Manager and Other Consultants,” “TAX MATTERS,” “LITIGATION – The Developer,” and “UNDERWRITING;”

(k) If the Limited Offering Memorandum is supplemented or amended pursuant to subsection (1) of this Section 6, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto up to and including the Closing Date, the Limited Offering Memorandum as so supplemented or amended will be accurate in all material respects for the purposes for which their use is authorized and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions “DESCRIPTION OF THE SERIES 2022 BONDS – Book-Entry Only System,” with respect to the Developer and the Development as set forth under the caption “BONDOWNERS’ RISKS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “THE DISTRICT – The District Manager and Other Consultants,” “TAX MATTERS,” “LITIGATION – The Developer,” and “UNDERWRITING;”

(l) If between the date of this Purchase Contract and the earlier of (i) the date that is ninety (90) days from the end of the “Underwriting Period” as defined in the Rule, or (ii) the time when the Limited Offering Memorandum is available to any person from

the MSRB's Electronic Municipal Market Access System (but in no event less than twenty-five (25) days following the end of the Underwriting Period), any event shall occur, of which the District has actual knowledge, which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter thereof, and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the District will at its expense supplement or amend the Limited Offering Memorandum in a form and in a manner approved by the Underwriter. The end of the Underwriting Period shall be the next business day after the Closing Date;

(m) Since its inception, there has been no material adverse change in the properties, businesses, results of operations, prospects, management or financial or other condition of the District, except as disclosed in the Preliminary Limited Offering Memorandum, and the District has not incurred liabilities that would materially adversely affect its ability to discharge its obligations under the Bond Resolution, the Assessment Resolutions, the Bonds, the Financing Documents or the Ancillary Agreements, direct or contingent, other than as set forth in or contemplated by the Preliminary Limited Offering Memorandum;

(n) The District is not now in default and has not been in default at any time after December 31, 1975 in the payment of the principal of or the interest on any governmental security issued or guaranteed by it which would require the disclosure pursuant to Section 517.051, Florida Statutes or Rule 3E- 400.003 of the Florida Department of Financial Services;

(o) The District has not been notified of any listing or the proposed listing of the District by the Internal Revenue Service as an issuer whose arbitrage certifications may not be relied upon;

(p) The District has never failed to comply with any continuing disclosure obligations previously undertaken by the District in accordance with the continuing disclosure requirements of the Rule;

(q) Any certificate signed by any official of the District and delivered to the Underwriter will be deemed to be a representation by the District to the Underwriter as to the statements made therein; and

(r) From the date of this Purchase Contract through the Closing Date, the District will not issue any bonds (other than the Bonds), notes or other obligations payable from the 2022 Pledged Revenues.

7. **Closing.** At 10:00 a.m. prevailing time on [Closing Date] (the "Closing Date") or at such later time as may be mutually agreed upon by the District and the Underwriter, the District will, subject to the terms and conditions hereof, deliver or cause to be delivered, to the

Underwriter, the Bonds in definitive book-entry only form, duly executed and authenticated, together with the other documents hereinafter mentioned, and, subject to the terms and conditions hereof, the Underwriter will accept such delivery and pay the purchase price of the Bonds as set forth in Section 1 hereof, in federal or other immediately available funds to the order of the District. Delivery of the Bonds as aforesaid shall be made pursuant to the FAST system of delivery of The Depository Trust Company, New York, New York, or at such other place as may be mutually agreed upon by the District and the Underwriter. The Bonds shall be typewritten, shall be prepared and delivered as fully registered bonds in book-entry only form, with one bond for each maturity, registered in the name of Cede & Co. and shall be made available to the Underwriter at least one (1) business day before the Closing Date for purposes of inspection and packaging, unless otherwise agreed by the District and the Underwriter.

8. Closing Conditions. The Underwriter has entered into this Purchase Contract in reliance upon the representations, warranties and agreements of the District contained herein, and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered on the Closing Date and upon the performance by the District of its obligations hereunder, both as of the date hereof and as of the Closing Date. Accordingly, the Underwriter's obligations under this Purchase Contract to purchase, to accept delivery of and to pay for the Bonds are conditioned upon the performance by the District of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing Date, and are also subject to the following additional conditions:

B. RELIANCE

This opinion is solely for the benefit of the (i) District; (ii) the Underwriter; and (iii) the Trustee; however, the Trustee may only rely on this opinion for the limited purposes of the opinions stated in Section C.1, C.2 and C.3. This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government, and a community development district under Chapter 190, Florida Statutes (the “Act”), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Pledged Revenues to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Assessment Resolution, (c) Bonds, (d) Indenture, and (e) Bond Agreements (assuming due authorization, execution and delivery of documents (c) – (e) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed, and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for St. Johns County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution, (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our

review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM, contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Assessment Methodology / Projected Level of District Assessments” and “– Prepayment of 2022 Assessments,” “ENFORCEMENT OF ASSESSMENT COLLECTIONS,” “THE DISTRICT” (excluding the subcaption “District Manager and Other Consultants”), “ASSESSMENT METHODOLOGY,” “AGREEMENT BY THE STATE,” “LEGALITY FOR INVESTMENT,” “LITIGATION – The District,” “CONTINUING DISCLOSURE” (as it relates to the District only), “VALIDATION,” and “AUTHORIZATION AND APPROVAL,” and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Based on our serving as the District’s Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Pledged Revenues for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. *Authority to Undertake the Project* - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the 2022 Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District documents. We have also assumed the legality and validity of the following Executive Orders: 20-52 issued March 9, 2020, 20-69 issued March 20, 2020, 20-112 issued April 29, 2020, 20-114 issued May 8, 2020, 20-123 issued May 18, 2020, 20-139 issued June 3, 2020, 20-150 issued June 23, 2020, 20-179 issued July 29, 2020, 20-193 issued August 7, 2020, and 20-246 issued September 30, 2020.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.

5. We express no opinion and make no representations with regard to financial information or statistical data. We express no opinion as to compliance with any state or federal tax laws.

6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Developer is able to convey good and marketable title to any particular real property or interest therein and related to the 2022 Project.

7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase “to our knowledge,” the words “to our knowledge” signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.

8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

Very truly yours,

together with the Master Indenture, the “Indenture”), each by and between the District and the Trustee. Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture.

Proceeds of the Series 2022 Bonds will be used to provide funds to: (i) finance the Cost of acquisition, construction, installation and equipping of the 2022 Project (as hereinafter defined); (ii) pay interest on the Series 2022 Bonds through November 1, 2022; (iii) pay certain costs associated with the issuance of the Series 2022 Bonds; and (iv) fund the 2022 Reserve Account (as hereinafter defined). See “THE CAPITAL IMPROVEMENT PLAN AND THE 2022 PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Series 2022 Bonds will be secured by a pledge of the 2022 Pledged Revenues. “2022 Pledged Revenues” shall mean with respect to the Series 2022 Bonds (a) all revenues received by the District from 2022 Assessments, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such 2022 Assessments or from the issuance and sale of tax certificates with respect to such 2022 Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture created and established with respect to or for the benefit of the Series 2022 Bonds; provided, however, that 2022 Pledged Revenues shall not include (A) any moneys transferred to the 2022 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the 2022 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the Issuer under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the Issuer under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this provision). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS” herein.

The Series 2022 Bonds are subject to optional, mandatory sinking fund and extraordinary mandatory redemption at the times, in the amounts and at the redemption prices as more fully described herein. See “DESCRIPTION OF THE SERIES 2022 BONDS – Redemption Provisions” herein.

THE SERIES 2022 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE 2022 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE “STATE”), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2022 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, 2022 ASSESSMENTS TO SECURE AND PAY THE SERIES 2022 BONDS. THE SERIES 2022 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2022 Bonds involve a degree of risk (see “BONDOWNERS’ RISKS” herein) and are not suitable for all investors (see “SUITABILITY FOR INVESTMENT” herein). The Underwriter named below is limiting this offering to “accredited investors” within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2022 Bonds. The Series 2022 Bonds are not credit enhanced or rated and no application has been made for credit enhancement or a rating with respect to the Series 2022 Bonds.

This cover page contains information for quick reference only. It is not a summary of the Series 2022 Bonds. Investors must read the entire Limited Offering Memorandum to obtain information essential to the making of an informed investment decision.

BANNON LAKES COMMUNITY DEVELOPMENT DISTRICT
(ST. JOHNS COUNTY, FLORIDA)
SPECIAL ASSESSMENT REVENUE BONDS, SERIES 2022

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Bannon Lakes Community Development District (the “District” or “Issuer”) of its \$9,250,000* Special Assessment Revenue Bonds, Series 2022 (the “Series 2022 Bonds”).

THE SERIES 2022 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2022 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFER IN ANY SECONDARY MARKET FOR THE SERIES 2022 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2022 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), and by Ordinance No. 2015-60 of the Board of County Commissioners of St. Johns County, Florida (the “County”) enacted on September 15, 2015 and becoming effective on September 21, 2015 (the “Ordinance”). On January 16, 2018, the County enacted Ordinance 2018-2, which approved the contraction of the District’s external boundaries and resulted in the removal of 20.28+/- gross acres from the District reducing the total number of gross acres from 579.53+/- gross acres to 559.24+/- gross acres. The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined), and has previously determined to undertake the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 559.24+/- gross acres of land (the “District Lands”) located entirely within the unincorporated area of the County. The District Lands are being developed as a residential community known as “Bannon Lakes” (the “Development”). The Development is being developed as a single-family residential community and is expected to contain approximately 987 single-family residential units at build-out. The Series 2022 Bonds are being issued to finance a portion of the master infrastructure included in the CIP (as herein defined). The Developer has sold the land subject to the 2022 Assessments to Pulte Home Company, LLC (“Pulte”) to acquire 296 lots in phase three of the Development (“Phase Three”), which consists of approximately 34.42+/- gross acres and is planned to contain 296 single-family residential units (the “Phase Three Lands”). The Series 2022 Bonds are secured by the 2022 Assessments levied against the assessable lands within the Phase Three Lands. As platting occurs, the 2022 Assessments will be assigned to the 296 lots planned for the Phase

* Preliminary, subject to change.

Three Lands on a first platted, first assigned basis. See “APPENDIX D: ASSESSMENT METHODOLOGY REPORTS” herein. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS” herein.

RREF III-P-EP Bannon Lakes JV, LLC, a Delaware limited liability company (the “Developer”), is the master developer of the Development. The Developer has entered into a lot purchase agreement with Pulte for the sale of undeveloped parcels planned to contain 296 lots within Phase Three in two separate takedowns. On February 3, 2022, Pulte closed on the initial takedown of a parcel planned for 133 lots within Phase Three, with the second takedown of a parcel planned for the remaining 163 lots within Phase Three expected to close in June 2023. See “THE DEVELOPER” and “THE DEVELOPMENT” herein for more information.

The Series 2022 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2016-28 and No. 2022-01 adopted by the Board of Supervisors of the District (the “Board”) on October 7, 2015 and January 6, 2021, respectively (collectively, the “Bond Resolution”), and a Master Trust Indenture, dated as of January 1, 2016 (the “Master Indenture”), as supplemented by a Third Supplemental Trust Indenture dated as of March 1, 2022 (the “Third Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and the Trustee. Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture.

Proceeds of the Series 2022 Bonds will be used to provide funds to: (i) finance the Cost of acquisition, construction, installation and equipping of the 2022 Project (as hereinafter defined); (ii) pay interest on the Series 2022 Bonds through November 1, 2022; (iii) pay certain costs associated with the issuance of the Series 2022 Bonds; and (iv) fund the 2022 Reserve Account (as hereinafter defined). See “THE CAPITAL IMPROVEMENT PLAN AND THE 2022 PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Series 2022 Bonds will be secured by a pledge of the 2022 Pledged Revenues. “2022 Pledged Revenues” shall mean with respect to the Series 2022 Bonds (a) all revenues received by the District from 2022 Assessments, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such 2022 Assessments or from the issuance and sale of tax certificates with respect to such 2022 Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture created and established with respect to or for the benefit of the Series 2022 Bonds; provided, however, that 2022 Pledged Revenues shall not include (A) any moneys transferred to the 2022 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the 2022 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the Issuer under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the Issuer under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this provision). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS” herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Developer, the Development, the 2022 Project and summaries of the terms of the Series 2022 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture, the Act and other sections of Florida Statutes are qualified in their entirety by reference to such documents and statute, and all references to the Series 2022 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. A copy of the Master Indenture and the proposed form of Third Supplemental Indenture appear in APPENDIX A hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

Except as otherwise provided in the Indenture, if less than all of the Series 2022 Bonds subject to redemption shall be called for redemption, the particular such Series 2022 Bonds or portions of such Series 2022 Bonds to be redeemed shall be selected by lot by the Registrar as provided in the Indenture.

Notice of Redemption and of Purchase. When required to redeem or purchase Series 2022 Bonds under any provision of the Indenture or directed in writing to do so by the District, the Trustee shall cause notice of the redemption to be mailed postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption date to each Registered Owner of Series 2022 Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2022 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2022 Bonds or such portions thereof on such date, interest on such Series 2022 Bonds or such portions thereof so called for redemption shall cease to accrue. Failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption of the Series 2022 Bonds for which notice was duly mailed in accordance with the Indenture.

Purchase of Series 2022 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the 2022 Sinking Fund Account to the purchase of the Series 2022 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2022 Bonds. The Series 2022 Bonds will be issued as fully-registered securities registered

in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2022 Bond certificate will be issued for each maturity of the Series 2022 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2022 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2022 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2022 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2022 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2022 Bonds, except in the event that use of the book-entry system for the Series 2022 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2022 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2022 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2022 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2022 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2022 Bonds may wish to

take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2022 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2022 Bond documents. For example, Beneficial Owners of Series 2022 Bonds may wish to ascertain that the nominee holding the Series 2022 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2022 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2022 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2022 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2022 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2022 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2022 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2022 Bond certificates are required to be printed and delivered.

Pursuant to the procedures of DTC, the District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2022 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS

General

THE SERIES 2022 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE 2022 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2022 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED

UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, 2022 ASSESSMENTS TO SECURE AND PAY THE SERIES 2022 BONDS. THE SERIES 2022 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2022 Bonds will be secured by a pledge of the 2022 Pledged Revenues. “2022 Pledged Revenues” shall mean with respect to the Series 2022 Bonds (a) all revenues received by the District from 2022 Assessments, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such 2022 Assessments or from the issuance and sale of tax certificates with respect to such 2022 Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture created and established with respect to or for the benefit of the Series 2022 Bonds; provided, however, that 2022 Pledged Revenues shall not include (A) any moneys transferred to the 2022 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the 2022 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the Issuer under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the Issuer under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this provision).

The “2022 Assessments” shall mean the Special Assessments levied against certain properties within the District specially benefitted by the CIP. The 2022 Assessments correspond in amount to the debt service on the Series 2022 Bonds and are designated as such in the Assessment Methodology. The 2022 Assessments will be initially levied on all the assessable lands within the Phase Three Lands. As platting occurs, the 2022 Assessments will be assigned to the 296 lots planned for the Phase Three Lands on a first platted, first assigned basis. The Assessment Methodology, which describes the methodology for allocating the 2022 Assessments to the lands within the District, is included as APPENDIX D hereto. The 2022 Assessments were levied pursuant to Section 190.022 of the Act, and the Assessment Proceedings (as defined in the Third Supplemental Indenture) conducted by the District. Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The 2022 Assessments will constitute a lien against the land as to which the 2022 Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Assessment Methodology / Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2022 Bonds are secured by the 2022 Assessments levied against the assessable lands within the Phase Three Lands. As platting occurs, the 2022 Assessments will be assigned to the 296 lots planned for the Phase Three Lands on a first platted, first assigned basis. Assuming that all of the 296 planned residential units within the Phase Three Lands are developed and platted, then the 2022 Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “APPENDIX D: ASSESSMENT METHODOLOGY REPORTS” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual 2022 Assessments Per Unit*</u>
Single-Family – 43’	83	\$1,876.54
Single-Family – 53’	154	1,876.54
Single-Family – 63’	59	1,876.54
Total	<u>296</u>	

* Preliminary, subject to change. Includes 2% collection fees and 4% early payment discounts when collected on County tax bill.

The District will continue levying assessments to cover its operation and maintenance costs that will be approximately \$832 per residential unit annually, which amount is net of early payment discounts and is subject to change. In addition, residents will be required to pay homeowners association fees which are currently estimated to be \$45 per year per home; which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2021 was approximately 13.1583 mills, which millage rate is subject to change. These taxes would be payable in addition to the 2022 Assessments, any other assessments levied by the District; which amount is subject to change. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of St. Johns County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

Additional Obligations

The District covenants in the Indenture as follows:

(a) Other than Refunding Bonds issued to refund a portion of Outstanding 2022 Bonds, the issuance of which as determined by the District results in present value debt service savings, the District shall not issue or incur any debt payable in whole or in part from the 2022 Pledged Revenues.

(b) So long as there are any 2022 Bonds Outstanding, the District shall not issue any Bonds or other debt obligations (the “Additional Bonds”) secured by Special Assessments on any of the lands subject to the 2022 Assessments until at least ninety percent (90%) of the principal amount of the 2022 Assessments has been allocated to residences for which certificates of occupancy have been obtained (“Substantially Absorbed”).

(c) The provisions of the preceding subsection (b) shall not apply to any Bonds or other debt obligations secured by Special Assessments on properties other than the lands subject to the 2022 Assessments. Further, notwithstanding such restriction, the District may issue Bonds secured by Special

Assessments on land secured by the 2022 Assessments for the health, safety, or welfare of the District's residents or for the repair of the District facilities.

(d) Prior to the delivery of any such Additional Bonds or other debt obligations, the Trustee shall receive a certificate from the District Manager (as herein defined) on which it may conclusively rely that all of the applicable conditions set forth above have been met.

See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the 2022 Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the 2022 Project or any part thereof. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" herein for more information.

2022 Reserve Account

The Indenture establishes a 2022 Reserve Account within the Debt Service Reserve Fund for the Series 2022 Bonds. The 2022 Reserve Account will, at the time of delivery of the Series 2022 Bonds, be funded from a portion of the proceeds of the Series 2022 Bonds in an amount equal to the 2022 Reserve Account Requirement. "2022 Reserve Account Requirement" or "Reserve Requirement" shall mean an amount equal to 50% of the maximum annual Debt Service Requirement for the Series 2022 Bonds. Such amount is not greater than the lesser of: (i) maximum annual Debt Service Requirement for the Series 2022 Bonds, (ii) 125% of the average annual debt service for the Series 2022 Bonds, or (iii) 10% of the proceeds of the Series 2022 Bonds calculated as of the date of original issuance thereof. Any amount in the 2022 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2022 Bonds, be used to pay principal of and interest on the Series 2022 Bonds at that time. The 2022 Reserve Requirement shall be equal to \$_____.

Notwithstanding the foregoing; on the earliest date on which there is on deposit in the 2022 Reserve Account, sufficient monies, taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2022 Bonds, together with accrued interest on such Series 2022 Bonds to the earliest date of redemption, then the Trustee shall use the amount on deposit in the 2022 Reserve Account to pay and redeem all of the Outstanding Series 2022 Bonds on the earliest such date.

It shall be an event of default under the Indenture if at any time the amount in the 2022 Reserve Account is less than the 2022 Reserve Account Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirements and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the 2022 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the 2022 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Series 2022 Bond proceeds (or investment earnings thereon) on deposit in the 2022 Interest Account of the Debt Service Fund to be applied to the payment of interest on the Series 2022 Bonds on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter, to the 2022 Interest Account an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the 2022 Interest Account not previously credited;

SECOND, beginning on the Business Day preceding November 1, 20__, no later than the Business Day next preceding each November 1, to the 2022 Sinking Fund Account an amount equal to the Amortization Installment for such November 1, less any amount on deposit in the 2022 Sinking Fund Account not previously credited;

THIRD, no later than the Business Day preceding the first November 1 for which there is an insufficient amount from Series 2022 Bond proceeds (or investment earnings thereon) on deposit in the 2022 Interest Account of the Debt Service Fund to be applied to the payment of interest on the Series 2022 Bonds on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter, to the 2022 Interest Account an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the 2022 Interest Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1 and November 1, to the 2022 Reserve Account an amount equal to the amount, if any, which is necessary to make the amount on deposit in the 2022 Reserve Account equal the 2022 Reserve Account Requirement;

FIFTH, notwithstanding the foregoing, at any time the Series 2022 Bonds are subject to redemption on a date which is not a May 1 or November 1, the Trustee shall be authorized to transfer from the 2022 Revenue Account to the 2022 Interest Account, the amount necessary to pay interest on the Series 2022 Bonds subject to redemption on such date; and

SIXTH, the balance of any moneys remaining after making the foregoing deposits shall remain in the 2022 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the 2022 Rebate Account, in which case, the Issuer shall direct the Trustee in writing to make such deposit thereto.

The Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the District, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to the Indenture and deposit such moneys as directed to the credit of the 2022 Bond Redemption Account.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund and the 2022 Bond Redemption Account only in Government Obligations and securities described within the definition of Investment Securities. The Trustee shall, as directed by the District in writing, invest moneys held in the 2022 Reserve Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and

income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the 2022 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided hereinafter. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" hereto.

Covenant to Levy the 2022 Assessments

The District has covenanted to levy the 2022 Assessments to the extent and in the amount sufficient to pay debt service on the Series 2022 Bonds when due. If any 2022 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such 2022 Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such 2022 Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new 2022 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such 2022 Assessment from legally available moneys, which moneys shall be deposited into the 2022 Revenue Account. In case such second 2022 Assessment shall be annulled, the District shall obtain and make other 2022 Assessments until a valid 2022 Assessment shall be made.

Prepayment of 2022 Assessments

Pursuant to the Third Supplemental Indenture and the Assessment Proceedings, an owner of property subject to the 2022 Assessments may, at its option, prepay all or a portion of the 2022 Assessments by paying to the District the amount of such 2022 Assessments, plus accrued interest to the next succeeding Quarterly Redemption Date (or the second succeeding Quarterly Redemption Date if such prepayment is made within 45 calendar days before a Quarterly Redemption Date). In the event the amount in the 2022 Reserve Account will exceed the 2022 Reserve Account Requirement as a result of such prepayment and the resulting redemption of Series 2022 Bonds, the Trustee shall transfer such excess amount from the 2022 Reserve Account to the 2022 Prepayment Account, as a credit against the amount otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the District.

Upon receipt of a prepayment as described in the paragraph above, subject to satisfaction of the conditions set forth therein, the District shall immediately pay the amount so received to the Trustee, and the District shall take such action as is necessary to reduce, or release and extinguish the related 2022 Assessments, as the case may be, in accordance with the Assessment Resolutions and as otherwise

provided by law. Upon receipt of any such moneys from the District, the Trustee shall immediately deposit such Prepayment into the 2022 Prepayment Account to be applied to the redemption of Series 2022 Bonds in accordance with the Third Supplemental Indenture.

The Trustee may conclusively rely on the District's determination of what moneys constitute prepayments and prepayment principal. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2022 Bonds from prepayments forty-five (45) days prior to each Quarterly Redemption Date.

Pursuant to the Act, an owner of property subject to the levy of 2022 Assessments may pay the entire balance of the 2022 Assessments remaining due, without interest, within thirty (30) days after the Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Project pursuant to Chapter 170.09, Florida Statutes.

Any prepayment of 2022 Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2022 Bonds as indicated under "DESCRIPTION OF THE SERIES 2022 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption." The prepayment of 2022 Assessments does not entitle the owner of the property to a discount for early payment. See "BONDOWNERS' RISKS – No. 21" herein.

Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

The following provisions of the Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against the Developer or other Obligated Person (as defined under the Rule) (hereinafter referred to in this section as the "Landowner") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

In the Indenture, the District acknowledges and agrees that, although the Series 2022 Bonds will be issued by the District, the Beneficial Owners of such Bonds are categorically the party with a financial stake in the repayment of the Series 2022 Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner (a) the District agrees that it shall seek to secure the written consent of the Trustee, acting at the written direction of the Majority Owners of the Series 2022 Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the 2022 Assessments relating to the Series 2022 Bonds Outstanding, the Outstanding Series 2022 Bonds or any rights of the Trustee under the Indenture (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2022 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent); (b) the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the 2022 Assessments relating to the Series 2022 Bonds Outstanding, the Series 2022 Bonds Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee, (c) the District hereby agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2022 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent); (d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose

any relief in any such Proceeding that the District, as claimant with respect to the 2022 Assessments relating to the Series 2022 Bonds Outstanding would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the Issuer shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the 2022 Assessments relating the Series 2022 Bonds Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and (e) the District shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceedings or take any other action in such Proceedings, which is adverse to Trustee's enforcement or the District's claim and rights with respect to the 2022 Assessments relating to the Series 2022 Bonds Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the 2022 Assessments, pledged to the Series 2022 Bonds Outstanding, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance Assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the 2022 Assessments relating to the Series 2022 Bonds Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in the Indenture.

Events of Default and Remedies

The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2022 Bonds:

(a) if payment of any installment of interest on any Series 2022 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2022 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency,

local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2022 Bond issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

(g) if at any time the amount in the 2022 Reserve Account is less than the 2022 Reserve Account Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the 2022 Reserve Account Requirement on the Series 2022 Bonds and such amount has not been restored within thirty (30) days of such withdrawal;

(h) the Trustee is authorized under the provisions of the Indenture to withdraw funds from the 2022 Reserve Account, if any, for the Series 2022 Bonds to pay Debt Service on the Series 2022 Bonds or (regardless of whether the Trustee does or does not, per the direction of the Holders of not less than a majority in aggregate principal amount of the Outstanding Series 2022 Bonds, actually withdraw such funds from the 2022 Reserve Account to pay Debt Service on the Series 2022 Bonds).

(i) Any portion of the 2022 Assessments pledged to the Series 2022 Bonds shall have become delinquent and, as the result thereof, the Indenture authorizes the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in 2022 Reserve Account to pay the Debt Service Requirements on the Series 2022 Bonds (regardless of whether the Trustee does or does not actually withdraw such funds from the 2022 Reserve Account to pay the Debt Service Requirements on the Series 2022 Bonds) (the foregoing being referred to as a "2022 Reserve Account Event") unless within sixty (60) days from the 2022 Reserve Account Event the Issuer has either (i) replenished the amounts, if any, withdrawn from the 2022 Reserve Account or (ii) the portion of the delinquent Assessments giving rise to the 2022 Reserve Account Event are paid and are no longer delinquent Assessments; or

(j) More than fifteen percent (15%) of the operation and maintenance Assessments that are directly billed by the District and levied by the District on tax parcels subject to the 2022 Assessments are not paid by the date such are due and payable and such default continues for sixty (60) days after the date when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2022 Bonds shall be subject to acceleration. Upon an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2022 Bonds pursuant to the Indenture shall occur unless all of the Series 2022 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Series 2022 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2022 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2022 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the 2022 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2022 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2022 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2022 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2022 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2022 Bonds is the 2022 Assessments imposed on the assessable lands within the Phase Three Lands specially benefitted by the 2022 Project pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D: ASSESSMENT METHODOLOGY REPORTS.”

The determination, order, levy, and collection of 2022 Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the St. Johns County Tax Collector (the “Tax Collector”) or the St. Johns County Property Appraiser (the “Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, 2022 Assessments during any year. Such delays in the collection of 2022 Assessments, or complete inability to collect any of the 2022 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2022 Bonds. See “BONDOWNERS’ RISKS.” To the extent that landowners fail to pay the

2022 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2022 Bonds. The Act provides for various methods of collection of delinquent 2022 Assessments by reference to other provisions of the Florida Statutes. See “BONDOWNERS’ RISKS” herein. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

Alternative Uniform Tax Collection Procedure for 2022 Assessments

The District will agree in the Master Indenture to collect the 2022 Assessments through the Uniform Method (as herein defined). Notwithstanding the foregoing, the District shall not use the Uniform Method to collect Special Assessments levied against District Lands should the District determine that another method of collection is in the best interest of the District unless the District Manager at the direction of the holders of a majority of Bonds Outstanding directs otherwise. To the extent that the Issuer is legally prevented At such time as the 2022 Assessments are collected pursuant to the Uniform Method, the provisions of this section shall become applicable.

The Florida Statutes provide that, subject to certain conditions, non-ad valorem special assessments may be collected by using the uniform method of collection (the “Uniform Method”). The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the 2022 Assessments to be levied and then collected in this manner. The District’s election to use a certain collection method with respect to the 2022 Assessments does not preclude it from electing to use another collection method in the future. See “Foreclosure” below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method is utilized, the 2022 Assessments will be collected together with County, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the 2022 Assessments, if any, being collected by the Uniform Method) are to be billed, and landowners in the District are required to pay all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the 2022 Assessments.

All County, school and special district, including the District, ad valorem taxes, non-ad valorem special assessments, including the 2022 Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds, are payable at one time, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the 2022 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the 2022 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2022 Bonds.

Under the Uniform Method, if the 2022 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November

and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2022 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the 2022 Assessments, (2) that future landowners and taxpayers in the District will pay such 2022 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the 2022 Assessments and all other liens that are coequal therewith.

Collection of delinquent 2022 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the 2022 Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. During the pendency of any litigation arising from the contest of a landowner's tax assessment collected through the Uniform Method, which may possibly include non-ad valorem special assessments such as the 2022 Assessments, it is possible that the tax collector will not sell tax certificates with respect to such property. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). The Tax Collector does not collect any money if tax certificates are "struck off" (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the 2022 Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the 2022 Assessments, which are the primary source of payment of the Series 2022 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, charges and omitted taxes due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who

transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of delinquency, unsold lands escheat to the County in which they are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

Foreclosure

The following discussion regarding foreclosure is not applicable if the 2022 Assessments are being collected pursuant to the Uniform Method. In the event that the District, itself, directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the 2022 Assessments levied on the land within the District, Section 170.10, Florida Statutes provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including a 2022 Assessment, or the interest thereon, when due, the governing body of the entity levying the assessment is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes relating to foreclosure of municipal tax and special assessment liens. Such a proceeding is in rem, meaning that it is brought against the land not against the owner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay 2022 Assessments and the ability to foreclose the lien of such 2022 Assessments upon the failure to pay such 2022 Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2022 Bonds offered hereby and are set forth below. Prospective investors in the Series 2022 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2022 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2022 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2022 Bonds.

1. As of the date hereof, Pulte and the Developer own all of the assessable lands within the Phase Three Lands, all of which are the lands that will be subject to the 2022 Assessments securing the Series 2022 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS" and "THE DEVELOPMENT – Development Plan and Status" herein. Payment of the 2022 Assessments is primarily dependent upon their timely payment by Pulte, the Developer and subsequent landowners in the District. See "THE DEVELOPMENT – Phase Three Builder Contract and the Phase Three Builder" herein. In the event of the institution of bankruptcy or similar proceedings with respect to Pulte, the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2022 Bonds as such bankruptcy could negatively impact the ability of: (i) Pulte, the Developer and any other landowner being able to pay the 2022 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the 2022 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the 2022 Assessments not being collected pursuant to the Uniform Method. Notwithstanding the foregoing, the District shall not use the Uniform Method to collect Special Assessments levied against District Lands should the District determine that another method of collection is in the best interest of the District unless the District

Manager at the direction of the holders of a majority of Bonds Outstanding directs otherwise. In addition, the remedies available to the Owners of the Series 2022 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2022 Bonds, including, without limitation, enforcement of the obligation to pay 2022 Assessments and the ability of the District to foreclose the lien of the 2022 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2022 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2022 Bonds could have a material adverse impact on the interest of the Owners thereof.

2. The principal security for the payment of the principal and interest on the Series 2022 Bonds is the timely collection of the 2022 Assessments. The 2022 Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the 2022 Assessments or that they will pay such 2022 Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent 2022 Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within the District as a result of implementation and development of the 2022 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the 2022 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2022 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent 2022 Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2022 Bonds.

3. The development of the Development is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although certain such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the Development, including the Phase Three Lands. See "THE DEVELOPMENT – Development Approvals," and "– Environmental" herein for more information. Moreover, the Developer has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

4. The successful sale of the residential units, once such homes are built within the District may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer or Pulte.

5. The value of the lands subject to the 2022 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition, such catastrophic events could potentially render the District lands unable to support the development and construction of the Development within the District. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2022 Bonds. The Series 2022 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

6. Neither the Developer, Pulte nor any other subsequent landowner in the District has any obligation to pay the 2022 Assessments. As described herein, the 2022 Assessments are an imposition against the land only. Neither the Developer, Pulte nor any other subsequent landowner is a guarantor of payment of any 2022 Assessment and the recourse for the failure of the Developer, Pulte or any other landowner to pay the 2022 Assessments is limited to the collection proceedings against the land as described herein.

7. The willingness and/or ability of an owner of benefited land to pay the 2022 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the 2022 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the 2022 Assessments. In addition, lands within the District may also be subject to assessments by property and homeowners' associations.

8. The Series 2022 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2022 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2022 Bonds. The Series 2022 Bonds are being sold pursuant to exemptions from registration under applicable securities laws. No secondary market may develop and an owner may not be able to resell the Series 2022 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2022 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2022 Bonds, depending on the progress of development of the Phase Three Lands within the District and, existing real estate and financial market conditions and other factors.

9. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent 2022 Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the 2022 Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS" and "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. If the District has difficulty in collecting the 2022 Assessments, the 2022 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the 2022 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the 2022 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the 2022 Assessments in order to provide for the replenishment of the 2022 Reserve Account.

10. The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2022 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2022 Bonds. The Developer requested that there be performed on its behalf, an independent assessment of the environmental conditions within the District. The Developer is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the Developer’s environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the District lands.

11. If the District should commence a foreclosure action against a landowner for nonpayment of 2022 Assessments, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the 2022 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of Series 2022 Bond proceeds that can be used for such purpose.

12. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the 2022 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the 2022 Assessment even though the landowner is not contesting the amount of 2022 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least seventy-five percent (75%) of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

13. The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. The IRS conducted a lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a

second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it will withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety." On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within five or six years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years and there are 250 qualified electors in the district. The District has reached the minimum threshold of 250 qualified electors required under the Act. All but one of the current Board members are affiliated with the Developer or Pulte. The Developer will certify as to its expectations as to the timing of the transition of control of the Board to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2022 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2022 Bonds are advised that, if the IRS does audit the Series 2022 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2022 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2022 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2022 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2022 Bonds would adversely affect the availability of any secondary market for the Series 2022 Bonds. Should interest on the Series 2022 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2022 Bonds be required to pay income taxes on the interest received on such Series 2022 Bonds and related penalties, but because the interest rate on such Series 2022 Bonds will not be adequate to compensate Owners of the Series 2022 Bonds for the income taxes due on such interest, the value of the Series 2022 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2022 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2022 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2022 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2022 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2022 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

14. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2022 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the "Securities Act"), relating to securities issued by political subdivisions. In that event the Owners of the Series 2022 Bonds would need to ensure that subsequent transfers of the Series 2022 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

15. Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the Service may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2022 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2022 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2022 Bonds. See also "TAX MATTERS."

16. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2022 Project, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the 2022 Project. Further, pursuant to the Third Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations other than Refunding Bonds issued to refund a portion of the Outstanding 2022 Bonds. In addition, the

District covenants not to issue any other Bonds or other debt obligations secured by Special Assessments on any lands subject to the 2022 Assessments unless the Special Assessments have been Substantially Absorbed. Such covenant shall not prohibit the District from issuing refunding bonds. Further, notwithstanding such restriction, the District may issue Bonds secured by Special Assessments on land secured by the 2022 Assessments for the health, safety, or welfare of the District's residents or for the repair of the District facilities. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Additional Obligations" for more information. The District will fund a portion of the 2022 Project with the proceeds of the Series 2022 Bonds. In connection with the issuance of the Series 2022 Bonds, the Developer will enter into a completion agreement with the District (the "Completion Agreement"). The Completion Agreement will obligate the Developer to complete all infrastructure improvements necessary to complete the 2022 Project to the extent proceeds from the Series 2022 Bonds are insufficient therefor. Although the Developer has agreed to undertake the obligations in the Completion Agreement, there can be no assurance that the Developer will have sufficient resources to fulfill such obligations. See "THE CAPITAL IMPROVEMENT PLAN AND THE 2022 PROJECT" and "THE DEVELOPMENT" herein for more information.

17. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2022 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

18. In the event a bank forecloses on property because of a default on the mortgage and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the 2022 Assessments. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

19. The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2022 Bonds.

20. In addition to the general economic conditions discussed above, the timely and successful completion of Phase Three of the Development and the construction and sale of residential units therein

may be adversely impacted by the spread of the novel strain of coronavirus called COVID-19 or by other highly contagious or epidemic or pandemic diseases. Although it is unclear at this time what, if any, potential impacts COVID-19 may have on Phase Three of the Development, it is possible that construction delays, delays in the receipt of permits or other government approvals or other delays could occur as a result of COVID-19 that adversely impact Phase Three of the Development. Further, while the effects of COVID-19 may be temporary, it may alter the future behavior of businesses and people in a manner that could have negative impacts on global and local economics, which could adversely impact the completion of Phase Three of the Development and/or the successful construction and sale of homes in Phase Three of the Development.

21. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2022 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the 2022 Assessments by Pulte, the Developer or subsequent owners of the property within the Development. Any such redemptions of the Series 2022 Bonds would be at the principal amount of such Series 2022 Bonds being redeemed. In such event, owners of the Series 2022 Bonds may not realize their anticipated rate of return on the Series 2022 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2022 Bonds. See “DESCRIPTION OF THE SERIES 2022 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Prepayment of 2022 Assessments” herein for more information.

THE DISTRICT

General Information

The District was established by Ordinance No. 2015-60 of the County Commission enacted on September 15, 2015 and becoming effective September 21, 2015 (the “Ordinance”) under the provisions of the Act. The boundaries of the District include approximately 559.24+/- gross acres of land located entirely within the unincorporated area of the County. On January 16, 2018, the County enacted Ordinance 2018-2, which approved the contraction of the District’s external boundaries and resulted in the removal of 20.28+/- gross acres from the District reducing the total number of gross acres from 579.53+/- gross acres to 559.24+/- gross acres.

The District is being developed as a single-family residential community and is planned to contain approximately 987 single-family residential units at build-out. See “THE DEVELOPMENT” herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2022 Bonds.

Board of Supervisors

The governing body of the District is its Board of Supervisors (the “Board”), which is composed of five Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until six (6) years after the initial appointment of Supervisors and the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). The District has reached the minimum threshold of 250 qualified electors required under the Act. All but one of the current Board members are affiliated with the Developer or Pulte. Upon six (6) years after the initial appointment of Supervisors and the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter in the County in which the District is located who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Arthur E. Lancaster ⁽¹⁾	Chairperson	November, 2024
John Dodson ⁽¹⁾	Vice-Chairperson	November, 2022
Chris D’Aquin	Assistant Secretary	November, 2022
Chris Hill ⁽²⁾	Assistant Secretary	November, 2022
Linda Scandurra ⁽¹⁾	Assistant Secretary	November, 2024

⁽¹⁾ Employee of, or affiliated with, the Developer.

⁽²⁾ Employee of, or affiliated with, Pulte.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Governmental Management Services, LLC, St. Augustine, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 475 West Town Place, Suite 114, St. Augustine, Florida 32092.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Akerman LLP, Jacksonville, Florida, as Bond Counsel; England, Thims & Miller, Inc., Jacksonville, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as methodology consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2022 Bonds.

Prior Indebtedness

The District previously issued the \$11,850,000 original aggregate principal amount of Special Assessment Revenue Bonds, Series 2016 (the "Series 2016 Bonds"), currently outstanding in the aggregate principal amount of \$11,100,000 and the \$7,415,000 original aggregate principal amount of Special Assessment Revenue Bonds, Series 2021 (the "Series 2021 Bonds"), currently outstanding in the aggregate principal amount of \$7,415,000. The 2022 Pledged Revenues are not pledged to the payment of the principal of and interest on the Series 2016 Bonds or the Series 2021 Bonds and the special assessments securing the Series 2016 Bonds or the Series 2021 Bonds are not pledged to the payment of the principal of and interest on the Series 2022 Bonds.

THE CAPITAL IMPROVEMENT PLAN AND THE 2022 PROJECT

England, Thims & Miller, Inc. (the “District Engineer”) prepared a report entitled Bannock Lakes Community Development District Engineer’s Report Capital Improvement Plan dated November 23, 2015 (the “Master Engineer’s Report”), as supplemented by a report entitled Supplemental Engineer’s Report for Master Infrastructure – Phase 3 Improvement Capital Improvement Plan dated February 15, 2022 (the “Supplemental Engineer’s Report” and, together with the Master Engineer’s Report, the “Engineer’s Report”). The total cost of the master improvements included in the District’s capital improvement plan (the “CIP”) is approximately \$41,621,061 and includes certain public infrastructure improvements, including, without limitation, (i) onsite transportation, which includes stormwater management facilities, roadway improvements, landscape, hardscape and irrigation; (ii) utility improvements, which include a water system, a sewer system and a reuse water system; (iii) wetland mitigation; (iv) recreation/utility facility, which includes a park with soccer facility, reuse pump site and an amenity area; (v) offsite transportation, which includes roadway improvements, right-of-way acquisition, landscape and utility relocation; (vi) offsite utility improvements, which includes offsite forcemain, directional drill forcemain under Interstate 95 and reuse watermain connection to International Golf Parkway; and (vii) related professional services, including construction and management fees. The CIP also includes estimates for three phases of neighborhood improvements, which will not be funded with the proceeds of the Series 2022 Bonds.

Land development will occur in multiple phases. Phase One contains 456 residential units (“Phase One”), Phase Two contains 235 residential units (“Phase Two”) and Phase Three is planned to contain 296 residential units (“Phase Three”). The District previously issued the Series 2016 Bonds and Series 2021 Bonds in order to finance certain master infrastructure improvements associated with Phase One (the “2016 Project”) and Phase Two (the “2021 Project”), respectively. The 2016 Project and the 2021 Project have been completed. See “THE DEVELOPMENT – Update on Prior Phases” herein for more information regarding Phase One and Phase Two.

The net proceeds from the Series 2022 Bonds will finance a portion of the costs of that portion of the CIP consisting of the master public infrastructure improvements associated with Phase Three (the “2022 Project”). The District Engineer in the Supplemental Engineer’s Report estimates the total cost of the 2022 Project to be approximately \$9,716,346, as more particularly described below.

2022 Project	Estimated Cost
On-Site Transportation	\$ 4,179,026
On-Site Utility Improvements	240,000
On-Site Wetland Mitigation	2,809,179
On-Site Recreation/Utility Facility	-
Off-Site Transportation	-
Off-Site Utility Improvements	750,000
Off-Site Recreation	-
Subtotal Infrastructure	<u>7,978,205</u>
Management Fees (5%)	37,500
Design And Permitting (14%)	105,000
Contingency (20%)	<u>1,595,641</u>
Total	<u>\$9,716,346</u>

The Developer's business plan is to install the master infrastructure constituting the CIP necessary to support the Development in phases and sell undeveloped parcels to homebuilders. The master infrastructure associated with the 296 lots within Phase Three is expected to commence by the end of February 2022 and is expected to be completed by December 2022. To date, the Developer has spent approximately \$6.8 million towards land development for Phase Three, a portion of which includes the cost of the 2022 Project. On February 3, 2022, the Developer has sold and closed on a parcel planned for 133 lots within Phase Three to Pulte Home Company, LLC ("Pulte"). See "THE DEVELOPMENT – Phase Three Builder Contract and the Phase Three Builder" herein.

The net proceeds of the Series 2022 Bonds to be deposited in the Acquisition and Construction Fund will be \$7.66 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the 2022 Project, including paying the Developer for the portions of the 2022 Project it already funded pursuant to construction funding agreements with the District. In connection with the issuance of the Series 2022 Bonds the Developer will enter into a Completion Agreement with the District. The Completion Agreement will obligate the Developer to complete the 2022 Project to the extent proceeds from the Series 2022 Bonds are insufficient therefor. See "BONDOWNERS' RISKS – No. 15" herein.

All major discretionary permits have been obtained by the Developer from the respective permitting agency and certain other permits will be obtained in the ordinary course of development. The District Engineer will certify on the date of issuance of the Series 2022 Bonds that all permits necessary to construct the 2022 Project have either been obtained or are reasonably expected to be obtained in the ordinary course. See "APPENDIX C: ENGINEER'S REPORT" for more information.

* Preliminary, subject to change.

The information appearing below under the captions “THE DEVELOPMENT” and “THE DEVELOPER” has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer makes any representation or warranty as to the accuracy or completeness of such information supplied by it. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2022 Bonds or the 2022 Assessments.

THE DEVELOPMENT

General

The District lands consist of approximately 559.24 acres which are being developed as a single-family residential community consisting of 987 single-family residential units at build-out known as “Bannon Lakes” (the “Development”). The Development lies entirely within the unincorporated area of the County. The Development is located east of Interstate 95, north of International Golf Parkway.

Land development will occur in multiple phases. Phase One contains 456 residential units, Phase Two contains 235 residential units and Phase Three is planned to contain 296 residential units. The District previously issued the Series 2016 Bonds and Series 2021 Bonds to finance the 2016 Project and the 2021 Project consisting of the master infrastructure improvements associated with Phase One and Phase Two, respectively. The 2016 Project and 2021 Project have been completed. See “– Update on Prior Phases” below for more information regarding Phase One and Phase Two.

The Series 2022 Bonds are being issued to finance a portion of the 2022 Project, consisting of the master infrastructure improvements associated with Phase Three. The Series 2022 Bonds will be secured by the 2022 Assessments, which are levied against the lands within the District comprising the Phase Three Lands.

RREF III-P-EP Bannon Lakes JV, LLC, a Delaware limited liability company (the “Developer”) is the master developer of the Development. See “THE DEVELOPER” herein for more information. The Developer’s business plan is to install the master infrastructure constituting the CIP necessary to support the Development in phases and sell undeveloped parcels to homebuilders. The homebuilders will be responsible for installing the neighborhood infrastructure for their respective parcels and for vertical construction of residential units for which they have been assigned development rights. The Developer has entered into a lot purchase agreement with Pulte for the sale of undeveloped parcels planned to contain 296 lots within Phase Three to be transacted in two separate takedowns. On February 3, 2022, Pulte closed on the initial takedown of a parcel planned for 133 lots within Phase Three, with the second takedown of a parcel planned for the remaining 163 lots within Phase Three expected to close in June 2023. See “– Phase Three Builder Contract and the Phase Three Builder” below.

The Development is expected to contain a variety of product types on three different lot sizes appealing to a broad range of homebuyers, including, but not limited to, young professionals with growing families and retirees or empty nesters. Sale prices for homes within the Development are expected to average approximately \$500,000. See “– Residential Product Offerings” herein for more information.

Update on Prior Phases

The District previously issued the Series 2016 Bonds to finance the 2016 Project associated with Phase One, which contains 456 residential units. All lots within Phase One of the Development have been sold and closed to homebuilders including: Pulte, Lennar Homes, KB Homes Jacksonville, LLC and AV Homes Incorporated. The 2016 Project has been completed, and all 456 homes have been sold and closed with end users. The average sales price for homes in Phase One was \$350,000.

The District also previously issued the Series 2021 Bonds to finance the 2021 Project associated with Phase Two, which contains 235 residential units. All planned lots within Phase Two of the Development have been sold and closed to homebuilders including: Pulte and Lennar Homes (collectively, the “Phase Two Builders”). The 2021 Project has been completed, and the Phase Two Builders have installed the neighborhood infrastructure and commenced vertical construction and marketing of residential units within Phase Two. As of the date hereof, 81 homes have been sold and closed with end users, and an additional 20 homes have been sold pending closing. The average sales price for homes in Phase Two is \$400,000.

Land Acquisition and Finance Plan

The Developer acquired the lands within the District in December 2015 for a total purchase price of \$14,576,000, which was financed with equity. The Developer estimates the total costs associated with the master infrastructure for Phase Three to be approximately \$9.7 million, of which \$6.8 million has been spent to date. The net proceeds from the Series 2022 Bonds to be deposited in the Acquisition and Construction Fund will be \$7.66 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the 2022 Project, including paying the Developer for the portions of the 2022 Project it already funded pursuant to construction funding agreements with the District. In connection with the issuance of the Series 2022 Bonds the Developer will enter into a Completion Agreement with the District. The Completion Agreement will obligate the Developer to complete all infrastructure improvements necessary to complete the 2022 Project to the extent proceeds from the Series 2022 Bonds are insufficient therefor. See “BONDOWNERS’ RISKS – No. 15” herein.

Phase Three Builder Contract and the Phase Three Builder

On August 24, 2020, the Developer entered into a lot purchase agreement with Pulte Home Company LLC, a Michigan limited liability company (“Pulte”) for the sale of undeveloped parcels planned to contain 296 lots within Phase Three for a total aggregate purchase price of \$12,688,300. On February 3, 2022, Pulte closed on the initial takedown of a parcel planned for 133 lots within Phase Three, with the second takedown of a parcel planned for the remaining 163 lots within Phase Three expected to close in June 2023. Pulte Homes will be responsible for installing the neighborhood infrastructure with respect to such lands, which is expected to cost approximately \$25,000 per lot. Pulte’s interest in the land it currently owns within Phase Three is not subject to a mortgage.

Pulte is a subsidiary of Pulte Group, Inc., a Michigan corporation (“Pulte Group”). Pulte Group stock trades on the New York Stock Exchange under the symbol PHM. Pulte Group is subject to the informational requirements of the Exchange Act and in accordance therewith files reports, proxy statements, and other information with the SEC. The master infrastructure associated with 296 lots within Phase Three is expected to commence by the end of February 2022 and is expected to be completed by February 2024. Phase Three will be developed in subphases.

Phase 2B. Pulte acquired the undeveloped parcels planned for 133 lots within Phase Three ("Phase 2B") on or about February 3, 2022, and is expected to commence installation of the neighborhood infrastructure associated with such parcel by the end of February 2022. The installation of the neighborhood infrastructure within Phase 2B is expected to be completed by February 2024.

The Developer anticipates that 100 homes will be sold and closed within Phase Three per annum until build-out, which is expected by June 2025. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Development Approvals

The land within the Development, including, without limitation, the land therein subject to the 2022 Assessments, is zoned as a mixed-use planned unit development to allow for the contemplated uses and phased development described herein. All permits have been received by jurisdictional agencies to allow for the development of the Phase Three Lands contemplated herein or are reasonably expected to be received in the ordinary course.

Environmental

A Phase 1 Environmental Site Assessment was performed on all of the lands within the District by Aerostar SES LLC ("Aerostar") on June 10, 2015, which assessment identified no recognized environmental conditions.

The District is the site of a former oak tree farm and cattle pasture and certain small scale agricultural activities. Aerostar performed an assessment of soils within the District in August, 2013, which revealed elevated petroleum hydrocarbon concentrations. In December 2013, Environmental Services, Inc. completed a limited contamination assessment. Following the 2013 environmental site assessment, Aerostar recommended excavating the impacted soil. Approximately 19.87 tons of petroleum impacted soil were removed from the site. On June 24, 2015, monitoring wells were installed in the District. See "BONDOWNERS' RISK – No. 9" herein for more information regarding potential environmental risks.

Amenities

The Development contains an amenity center which consists of an approximate 5,000 square foot cabana, a pool, an activities field, a walking path, tennis courts and other open spaces (the "Amenities") Construction of the Amenities has been complete at an approximate cost of \$3.5 million, which was financed with the proceeds of the Series 2016 Bonds.

In connection with the issuance of the Series 2022 Bonds, the District financed \$500,000 of County park improvements associated with the installation of soccer fields at a County sports facility. The County park improvements are complete. The Amenities are owned, operated and maintained by the District.

Utilities

The St. Johns County Utility Department will provide water and sewer service to the Development. Florida Power & Light will provide electrical service to the Development.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2022 Bonds are secured by the 2022 Assessments levied against the assessable lands within the Phase Three Lands. As platting occurs, the 2022 Assessments will be assigned to the 296 lots planned for the Phase Three Lands on a first planned, first assigned basis. Assuming that all of the 296 planned residential units within the Phase Three Lands are developed and platted, then the 2022 Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “APPENDIX D: ASSESSMENT METHODOLOGY REPORTS” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual 2022 Assessments Per Unit</u> **	<u>Series 2022 Bonds Par Debt Per Unit</u> *

Total	296		

* Preliminary, subject to change.

** Includes 2% collection fees and 4% early payment discounts when collected on County tax bill.

The District will continue levying assessments to cover its operation and maintenance costs that will be approximately \$832 per residential unit annually, which amount is net of early payment discounts and is subject to change. In addition, residents will be required to pay homeowners association fees which are currently estimated to be \$45 per year per home; which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2021 was approximately 13.1583 mills, which millage rate is subject to change. These taxes would be payable in addition to the 2022 Assessments, any other assessments levied by the District; which amount is subject to change. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of St. Johns County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

Students in elementary school are expected to attend Palencia Elementary School, which was rated “B” by the Florida Department of Education for 2021. Students in middle school are expected to attend Pacetti Bay Middle School, which was rated “A” by the Florida Department of Education for 2021. Students in high school are expected to attend Allen D. Nease Senior High School, which was rated “A” by the Florida Department of Education for 2021. The St. Johns County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Pursuant to Florida Department of Education Emergency Order No. 2021-EO-02, school districts and charter school governing boards were provided the flexibility to opt in to have their school grade or school improvement rating officially recorded and reported for all statutory purposes. In order to be

eligible to apply for a school grade, a school must have tested 90 percent or more of its eligible students in the 2020-2021 academic year. Schools that did not opt in, or did not meet eligibility requirements, did not receive a school grade or school improvement rating for the 2020-2021 school year.

Competition

The following communities have been identified by the Developer as being competitive with the Development, because of their proximity to the Development, price ranges and product types, and amenities: Silverleaf, Timberwalk and Grand Oaks. This section does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

ASSESSMENT METHODOLOGY

The Master and Neighborhood Special Assessment Methodology Report dated October 19, 2015 (the "Master Methodology Report"), as the same may be supplemented from time to time, describes the methodology for allocation of the debt assessments levied by the District, and the Supplemental Special Assessment Methodology Report for the Special Assessment Revenue Bonds Series 2022 – Phase 2B and 2C to be dated the sale date of the Series 2022 Bonds, describes the manner in which a portion of the debt assessments will be allocated to secure the Series 2022 Bonds (collectively, "the Assessment Methodology"). The Assessment Methodology has been prepared by Governmental Management Services, LLC, St. Augustine, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology Reports are included herein as APPENDIX D. Once the final terms of the Series 2022 Bonds are determined, the respective supplemental methodology reports will be approved by a supplemental assessment resolution, which will reflect such final terms.

Once levied and imposed, the 2022 Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

To ensure that there will always be sufficient development potential remaining in the property that has not been platted or is re-platted and to provide for payment of debt service on the Series 2022 Bonds after a recording of a plat or re-plat, the Assessment Methodology sets forth a “true-up mechanism” which provides that if fewer than 296 single family units are platted within Phase Three, then a true-up payment will be required in the amount of 2022 Assessments allocated to the units no longer being re-platted or platted, respectively. These true-up payments would result in the extraordinary mandatory redemption of a portion of the Series 2022 Bonds. See “APPENDIX D: ASSESSMENT METHODOLOGY REPORTS” herein for additional information regarding the “true-up mechanism”.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the “Code”) establishes certain requirements which must be met subsequent to the issuance and delivery of the Series 2022 Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2022 Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series 2022 Bonds. The District has covenanted in the Indenture to comply with each such requirement.

In the opinion of Bond Counsel, assuming continuous compliance by the District with the Code and the tax covenants of the District, under existing statutes, regulations, published rulings, and judicial decisions, and subject to the conditions described below, interest on the Series 2022 Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals.

Prospective purchasers of the Series 2022 Bonds should be aware that ownership of, accrual or receipt of interest on or disposition of tax-exempt obligations, such as the Series 2022 Bonds, may have additional federal income tax consequences for certain taxpayers, including, without limitation, recipients of certain Social Security and certain Railroad Retirement benefits, taxpayers that may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, and certain S corporations.

Bond Counsel expresses no opinion regarding any federal tax consequences other than its opinion with regard to the exclusion of interest on the Series 2022 Bonds from gross income pursuant to Section 103 of the Code and the treatment of interest for purposes of the federal alternative minimum tax. Prospective purchasers of the Series 2022 Bonds should consult their tax advisors with respect to all other tax consequences (including, but not limited to, those listed above) of holding the Series 2022 Bonds. Prospective purchasers of the Series 2022 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

The opinion on federal tax matters will be based on and will assume the accuracy of certain representations and certifications and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2022 Bonds are and will remain obligations the interest on which is excluded from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of these certifications and representations.

Bond Counsel’s opinions are based on existing law, which is subject to change. Moreover, Bond Counsel’s opinions are not a guarantee of a particular result, and are not binding on the Internal Revenue Service (“IRS”) or the courts; rather, such opinions represent Bond Counsel’s professional judgment

based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinions.

The IRS has established an on-going program to audit tax-exempt obligations to determine whether interest on such obligations is includible in gross income for federal income tax purposes. Bond Counsel cannot predict whether the IRS will commence an audit of the Series 2022 Bonds. Owners of the Series 2022 Bonds are advised that, if the IRS does audit the Series 2022 Bonds, under current IRS procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the owners of the Series 2022 Bonds may have limited rights to participate in such procedure. The commencement of an audit could adversely affect the market value and liquidity of the Series 2022 Bonds until the audit is concluded, regardless of the ultimate outcome.

In the opinion of Bond Counsel, interest on the Series 2022 Bonds is exempt from taxation under the existing laws of the State of Florida, except as to estate taxes and taxes imposed under Chapter 220, *Florida Statutes*, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220, *Florida Statutes*.

Interest on the Series 2022 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2022 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2022 Bonds, in their particular state or local jurisdictions.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2022 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar in nature to the Series 2022 Bonds. From time to time, legislative proposals may be introduced which could have an effect on both the federal tax consequences resulting from the ownership of the Series 2022 Bonds and their market value. No assurance can be given that any such legislative proposals, if enacted, would not apply to, or would not have an adverse effect upon, the Series 2022 Bonds. Prospective purchasers of the Series 2022 Bonds should consult their tax advisors as to the impact of any pending or proposed legislation. Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance of the Series 2022 Bonds may affect the tax status of interest on the Series 2022 Bonds.

Original Issue Discount

Under the Code, the difference between the maturity amount of the Series 2022 Bonds maturing on November 1, 20__ (collectively, the “Discount Bonds”), and the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity and if applicable, interest rate, was sold is “original issue discount.” For federal income tax purposes, original issue discount will accrue over the term of the Discount Bonds at a constant interest rate compounded on each interest payment date (or over a shorter permitted compounding interval selected by the Owner). A purchaser who acquires the Discount Bonds in the initial offering at a price equal to the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he or she holds the Discount Bonds subject to the same considerations discussed above and will increase his or her adjusted basis in the Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or disposition of the Discount Bonds. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of the Discount Bonds

which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Bondholders of the Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of the Discount Bonds and with respect to the state and local tax consequences of owning and disposing of the Discount Bonds.

Original Issue Premium

The difference between the principal amount of the Series 2022 Bonds maturing on November 1, 20__ (the “Premium Bonds”) and the initial offering price to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Premium Bonds of the same maturity was sold constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each Premium Bond, or in the case of certain of the Premium Bonds that are callable prior to maturity, the amortization period and yield must be determined on the basis of the earliest call date that results in the lowest yield on such Premium Bond. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2022 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2022 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2022 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2022 Bonds. Investment in the Series 2022 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been

authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2022 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2022 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2022 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2022 Bonds, or in any way contesting or affecting (i) the validity of the Series 2022 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2022 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

There is no litigation against the Developer of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of Developer to complete the 2022 Project and the development of the Phase Three Lands within the District as described herein, materially and adversely affect the ability of the Developer to pay the 2022 Assessments imposed against the Phase Three Lands within the District owned by the Developer or materially and adversely affect the ability of the Developer to pay the 2022 Assessments on its lands when due.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2022 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2022 Bonds.

NO RATING

No application for a rating for the Series 2022 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2022 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by England, Thims & Miller, Inc., Jacksonville, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. FINANCIAL INFORMATION

The District has covenanted in the form of the Continuing Disclosure Agreement (the "Disclosure Agreement") set forth in APPENDIX E hereto to provide its annual audited financial statements to certain information repositories as described in APPENDIX E. The audited financial statements of the District for the fiscal year ended September 30, 2019 are included herewith as "APPENDIX F: AUDITED FINANCIAL STATEMENTS." The consent of the District's auditor for the use of the financial statements herein has not been sought as the District's financial statements are publicly available documents. The Series 2022 Bonds are not general obligation bonds of the District or any other entity and are payable solely from the 2022 Pledged Revenues.

Beginning October 1, 2016, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S. Under such statute, each district must post its proposed budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place and is presently in compliance with the statutory guidelines which became effective on October 1, 2015.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District is not and has not since the date of its creation been in default as to principal and interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District, the Developer and Pulte will enter into the Disclosure Agreement, the proposed form of which is set forth in APPENDIX E, for the benefit of the 2022 Bondholders (including owners of beneficial interests in such Bonds), respectively, to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the Municipal Securities Rulemaking Board ("MSRB") through the MSRB's Electronic Municipal Market Access system ("EMMA"). The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District, the Developer

or Pulte to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the 2022 Bondholders (including owners of beneficial interests in such Bonds), as applicable, to bring an action for specific performance.

The District has previously entered into continuing disclosure obligations in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the “Rule”), relating to the Series 2016 Bonds. During the past five years, the District has been in material compliance with such continuing disclosure obligations.

The Developer and Pulte will represent in the Disclosure Agreement that to their knowledge, in the previous five years they have not failed to comply, in all material aspects, with any previous undertakings in a written agreement entered into in connection with the Rule.

- A. Bannon Lakes Community Development District (“**Client**”)
c/o GMS, LLC
475 West Town Place, Suite 114
St. Augustine, Florida 32092

and

- B. Kutak Rock LLP (“**Kutak Rock**”)
P.O. Box 10230
Tallahassee, Florida 32302

II. SCOPE OF SERVICES

In consideration of the mutual undertakings and agreements contained herein, the parties agree as follows:

- A. The Client agrees to employ and retain Kutak Rock as its attorney and legal representative for general advice, counseling and representation of Client and its Board of Supervisors.
- B. Kutak Rock accepts such employment and agrees to serve as attorney for and provide legal representation to the Client in connection with those matters referenced above. No other legal representation is contemplated by this Agreement. Any additional legal services to be provided under the terms of this Agreement shall be agreed to by Client and Kutak Rock in writing. Unless set forth in a separate agreement to which Client consents in writing, Kutak Rock does not represent individual members of the Client’s Board of Supervisors.

III. CLIENT FILES

The files and work product materials (“**Client File**”) of the Client generated or received by Kutak Rock will be maintained confidentially to the extent permitted by law and in accordance with the Florida Bar rules. At the conclusion of the representation, the Client File will be stored by Kutak Rock for a minimum of five (5) years. After the five (5) year storage period, the Client hereby acknowledges and consents that Kutak Rock may confidentially destroy or shred the Client File. Notwithstanding the prior sentence, if the Client provides Kutak Rock with a written request for the return of the Client File before the end of the five (5) year storage period, then Kutak Rock will return the Client File to Client at Client’s expense.

IV. FEES

- A. The Client agrees to compensate Kutak Rock for services rendered in connection with any matters covered by this Agreement on an hourly rate basis plus actual expenses incurred by Kutak Rock in accordance with the attached Expense Reimbursement Policy (Attachment A, incorporated herein by reference). Time will be billed in increments of one-tenth (1/10) of an hour. Certain work related to issuance of bonds and bond anticipation notes may be performed under a flat fee to be separately established prior to or at the time of bond or note issuance.
- B. Attorneys and staff, if applicable, who perform work for Client will be billed at their regular hourly rates, as may be adjusted from time to time. The regular hourly rates of those initially expected to handle the bulk of Client's work are as follows:

Wesley S. Haber	\$275
Associates	\$220 - \$250
Paralegals	\$125

Kutak Rock's regular hourly billing rates are reevaluated annually and are subject to change not more than once in a calendar year. Client agrees to Kutak Rock's annual rate increases to the extent hourly rates are not increased beyond \$15/hour.

- C. To the extent practicable and consistent with the requirements of sound legal representation, Kutak Rock will attempt to reduce Client's bills by assigning each task to the person best able to perform it at the lowest rate, so long as he or she has the requisite knowledge and experience.
- D. Upon consent of Client, Kutak Rock may subcontract for legal services in the event that Client requires legal services for which Kutak Rock does not have adequate capabilities.
- E. Kutak Rock will include costs and expenses (including interest charges on past due statements) on its billing statements for Client reimbursement in accordance with the attached Expense Reimbursement Policy.

V. BILLING AND PAYMENT

The Client agrees to pay Kutak Rock's monthly billings for fees and expenses incurred within thirty (30) days following receipt of an invoice, or the time permitted by Florida law, whichever is greater. Kutak Rock shall not be obligated to perform further legal services under this Agreement if any such billing statement remains unpaid longer than thirty (30) days after submittal to and receipt by Client. Non-payment of billing statements shall be a basis for Kutak Rock to immediately withdraw from the representation without regard to remaining actions necessitating attention by Kutak Rock as part of the representation.

VI. DEFAULT; VENUE

In any legal proceeding to collect outstanding balances due under this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees in addition to costs and outstanding balances due under this Agreement. Venue of any such action shall be exclusive in the state courts of the Second Judicial Circuit in and for Leon County, Florida.

VII. CONFLICTS

It is important to disclose that Kutak Rock represents a number of special districts, trustees ("Trustees"), bondholders, developers, builders, and other entities throughout Florida and the United States of America relating to community development districts, special districts, local governments and land development. Kutak Rock or its attorneys may also have represented the entity which petitioned for the formation of the Client. Kutak Rock understands that Client may enter into an agreement with a Trustee in connection with the issuance of bonds, and that Client may request that Kutak Rock simultaneously represent Client in connection with the issuance of bonds, while Kutak Rock is also representing such Trustee on unrelated matters. By accepting this Agreement Client agrees that (1) Client was provided with an explanation of the implications of the common representation(s) and the advantages and risks involved; (2) Kutak Rock will be able to provide competent and diligent representation of Client, regardless of Kutak Rock's other representations, and (3) there is not a substantial risk that Kutak Rock's representation of Client would be materially limited by Kutak Rock's responsibilities to another client, a former client or a third person or by a personal interest. Acceptance of this Agreement will constitute Client's waiver of any "conflict" with Kutak Rock's representation of various special districts, Trustees, bondholders, developers, builders, and other entities relating to community development districts, special districts, local governments and land development.

VIII. ACKNOWLEDGMENT

Client acknowledges that the Kutak Rock cannot make any promises to Client as to the outcome of any legal dispute or guarantee that Client will prevail in any legal dispute.

IX. TERMINATION

Either party may terminate this Agreement upon providing prior written notice to the other party at its regular place of business. All fees due and payable in accordance with this Agreement shall accrue and become payable pursuant to the terms of this Agreement through the date of termination.

X. EXECUTION OF AGREEMENT

This Agreement shall be deemed fully executed upon its signing by Kutak Rock and the Client. The contract formed between Kutak Rock and the Client shall be the operational contract between the parties.

XI. ENTIRE CONTRACT

This Agreement constitutes the entire agreement between the parties.

MEMORANDUM

To: District Manager

From: Hopping Green & Sams, P.A.

RE: Publication of Legal Notices

During the 2021 legislative session certain statutory changes were enacted affecting publication of legal notices. *See* Ch. 2021-17, Laws of Fla. Relevant to community development districts, this includes enactment of:

- (i) criteria that expand the newspapers that may qualify to publish legal notices; and
- (ii) provisions that allow for internet-only publication of certain legal notices.

As regards (i), District Managers should evaluate whether there are less expensive newspapers that qualify for publication of legal notices. As regards (ii), the Legislature's provision of internet-only publication of legal notices appears unlikely to provide any benefit to community development districts. In addition, revisions to district Rules of Procedure are included to address both (i) and (ii). However, updated Rules of Procedure only need to be adopted if a district desires to use a newspaper that only qualifies for publication of legal notices under the new statutory language, and not under the current Rules of Procedure. These matters are summarized in more detail below. The subject statutory changes are effective January 1, 2022.

1. Expanded Criteria for Newspapers to Qualify for Publication of Legal Notices

Effective January 1, 2022, section 50.011, Florida Statutes, includes revised and expanded criteria for newspapers to be eligible as a newspaper of "general circulation" to publish legal notices and advertisements. § 50.011(1)(a)-(e), Fla. Stat. District Managers should review these criteria to determine if less expensive newspapers qualify for the publication of district legal notices.

2. Internet-Only Publication of Legal Notices

Effective January 1, 2022, section 50.0211, Florida Statutes, authorizes certain notices to published solely on the internet. § 50.0211, Fla. Stat. For community development districts this includes special district meeting notices pursuant to section 189.015, Florida Statutes (i.e., annual and regular meeting notices), and establishment and termination notices pursuant to section 190.005 and 190.046, Florida Statutes. § 50.0211(1)(b)8., 9., Fla. Stat. Newspapers may charge for internet only publication, but no more than authorized if the notice had been published in a print edition (the expectation is that internet-only publication will offer savings versus print publication). § 50.0211(5)(c), Fla. Stat.

This internet-only option, however, comes with significant strings attached. Most significantly, entities opting for internet-only publication must publish a notice at least once per week in the print edition of a newspaper of general circulation that states that legal notices do not all appear in the print edition of the local newspaper and that additional legal notices may be accessed on the

newspaper's website or on the statewide legal notice website. § 50.0211(5)(d), Fla. Stat. Thus, it appears the burden of weekly publication of notices advising the public that internet-only publication is being utilized more than outweighs any logistical and cost benefits that might be realized from the limited scope of notices districts may publish solely on the internet. In addition, to utilize internet-only publication, a district's board of supervisors must make a determination that such internet-only publication is in the public interest and that the residents within the district have sufficient access to the internet such that internet-only publication would not unreasonably restrict public access. § 50.0211(5)(a), Fla. Stat.

3. Updated Rules of Procedure

If a district believes it would benefit from the expanded criteria for what may qualify as a newspaper of "general circulation" authorized to publish legal notices or the availability of internet-only publication, district Rules of Procedure should be updated to incorporate statutory changes as follows:

Rule 1.3 Public Meetings, Hearings, and Workshops.

- (1) Notice. Except in emergencies, or as otherwise required by statute or these Rules, at least seven (7) days, but no more than thirty (30) days public notice shall be given of any public meeting, hearing or workshop of the Board. Public notice shall be given by publication in a newspaper of general circulation in the District and in the county in which the District is located. A newspaper is deemed to be a newspaper of "general circulation" within the District and county in which the District is located if such newspaper has been in existence for two (2) years at the time of publication of the applicable notice (unless no newspaper within the county has been published for such length) and satisfies the criteria of section 50.011(1), Florida Statutes, or if such newspaper is a direct successor of a newspaper which has been so published. Meeting notices pursuant to section 189.015, Florida Statutes, may be noticed by internet-only publication upon election by the District's Board and compliance with the requirements of section 50.0211, Florida Statutes. ~~"General circulation" means a publication that is printed and published at least once a week for the preceding year, offering at least 25% of its words in the English language, qualifies as a periodicals material for postal purposes in the county in which the District is located, is for sale to the public generally, is available to the public generally for the publication of official or other notices, and is customarily containing information of a public character or of interest or of value to the residents or owners of property in the county where published, or of interest or of value to the general public. The annual meeting notice required to be published by Section 189.015 of the Florida Statutes, shall be published in a newspaper not of limited subject matter, which is published at least five days a week, unless the only newspaper in the county is published less than five days a week.~~ Each Notice shall state, as applicable:

* * *

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 50.011, 50.031, 189.015, 189.069(2)(a) ~~46~~15, 190.006, 190.007, 190.008, 286.0105, 286.011, 286.0113, 286.0114, Fla. Stat.

MEMORANDUM

To: District Manager

From: Hopping Green & Sams P.A.

RE: Wastewater and Stormwater Needs Analysis

During the 2021 legislative session sections 403.9301 and 403.9302, Florida Statutes, were enacted requiring local governments to perform a 20-year needs analysis of certain wastewater and stormwater services or systems. Subject special districts are required to complete this analysis by June 30, 2022, and every five years thereafter. This memorandum answers basic questions regarding these new statutory provisions and requests that District Managers seek authorization for staff to solicit proposals to complete the required study as appropriate. We expect the services necessary to complete the required analysis to be exempt from competitive solicitation requirements as a planning or study activity below the statutory threshold of \$35,000. §§ 287.055, 287.017, Fla. Stat. Thus, as deemed appropriate and in the best interests of the subject district, districts may elect to utilize the services of existing engineering or other professionals currently under contract or may seek additional proposals for completion of the required needs analysis.

Which special districts are required to complete a needs analysis under section 403.9301 and 403.9302, Florida Statutes?

Special districts providing “wastewater services” or a “stormwater management program or stormwater management system” must complete a needs analysis.¹

What constitutes “wastewater services”?

Wastewater services means providing service to pipelines or conduits, pumping stations, and force mains and associated facilities used for collecting or conducting wastes to an ultimate point for treatment or disposal or to a plant or other works used for the purpose of treating, stabilizing, or holding wastewater principally from dwellings, business buildings, institutions, and sanitary wastewater or sewage treatment plants.

¹ Counties, municipalities, and special districts located in a “rural area of opportunity” may be exempt from the requirements of sections 403.9301 and 403.9302, Florida Statutes, if compliance would create an undue economic hardship. This includes:

- *Northwest Rural Area of Opportunity:* Calhoun, Franklin, Gadsden, Gulf, Holmes, Jackson, Liberty, Wakulla, and Washington counties, and the area within the city limits of Freeport and Walton County north of the Choctawhatchee Bay and intercoastal waterway.
- *South Central Rural Area of Opportunity:* DeSoto, Glades, Hardee, Hendry, Highlands, and Okeechobee counties, and the cities of Pahokee, Belle Glade, and South Bay (Palm Beach County), and Immokalee (Collier County).
- *North Central Rural Area of Opportunity:* Baker, Bradford, Columbia, Dixie, Gilchrist, Hamilton, Jefferson, Lafayette, Levy, Madison, Putnam, Suwannee, Taylor, and Union counties.

What constitutes “stormwater management program or stormwater management system”?

“Stormwater management program” means an institutional strategy for stormwater management, including urban, agricultural, and other stormwater. “Stormwater Management System” means a system which is designed and constructed or implemented to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use, or reuse water to prevent or reduce flooding, overdrainage, environmental degradation and water pollution or otherwise affect the quantity and quality of discharges from the system.

What must the needs analysis for these services or systems include?

- A detailed description of associated facilities;
- The number of current and projected residents served calculated in 5-year increments;
- The current and projected service area;
- The current and projected cost of providing services calculated in 5-year increments;
- The estimated remaining useful life of each facility or its major components;
- The most recent 5-year history of annual contributions to, expenditures from, and balances of any capital account for maintenance or expansion of any facility or its major components;
- The district’s plan to fund the maintenance or expansion of any facility or its major components. The plan must include historical and estimated future revenues and expenditures with an evaluation of how the district expects to close any projected funding gap.
- The Office of Economic and Demographic Research has [templates and other resources and guidance](#) under development on its website to assist in completion of this required analysis.

When must the needs analysis required be complete?

The 20-year needs analysis must be completed by June 30, 2022.

What happens to the needs analysis once it is complete?

The complete needs analysis and associated methodology and supporting data must be submitted to the county within which the largest portion of the subject district facilities are located. Each county must then compile all analyses submitted to it (from special districts, municipalities, and the county itself) into a single document that must be filed with the Department of Environmental Protection and Office of Economic and Demographic Research by July 31, 2022 and every five years thereafter. The Office of Economic and Demographic research is required to evaluate the compiled documents for purposes of developing a statewide analysis that will include an analysis of the expenditures necessary to repair, replace, and expand water-related infrastructure.

MEMORANDUM

From: Hopping Green & Sams P.A.

RE: Prompt Payment Policies

As you may know, during the 2021 legislative session Part VII of Chapter 218, Florida Statutes (the “Local Government Prompt Payment Act”) was amended. This includes an increase from 1 percent to 2 percent as the floor interest rate on late payments for construction services and the addition of certain contractor rights in the event a local government entity fails to timely commence dispute resolution procedures in the event of an improper payment request or invoice. *See* §§ 218.735(9); 218.76(2)(b), Fla. Stat. As provided in Florida Chapter Laws 2021-124, these changes apply to contracts executed on or after July 1, 2021.

Accordingly, we advise that districts adopt new or updated Prompt Payment Policies and Procedures as attached hereto to reflect these changes. For districts that have previously adopted Prompt Payment Policies and Procedures prepared by Hopping, Green & Sams, this consists of the following changes as reflected in track-change format:

VII. Resolution of Disputes

* * *

B. Dispute Resolution Procedures

1. If an Improper Payment Request or Improper Invoice is submitted, and the Provider refuses or fails to submit a revised payment request or invoice as contemplated by the PPA and these Policies and Procedures, the Provider shall, not later than thirty (30) days after the date on which the last payment request or invoice was Date Stamped, submit a written statement via certified mail to the Agent, copying the District Manager, specifying the basis upon which the Provider contends the last submitted payment request or invoice was proper.
2. Within forty-five (45) days of receipt by the Agent and District Manager of the disputed, last-submitted payment request or invoice, the Agent and/or District Manager shall commence investigation of the dispute and render a final decision on the matter no later than sixty (60) days after the date on which the last-submitted payment request or invoice is Date Stamped.
3. With regard to contracts executed on or after July 1, 2021, if the District does not commence the dispute resolution procedure within the time provided herein, a Provider may give written notice via certified mail to the Agent, copying the District Manager, of the District’s failure to timely commence its dispute resolution procedure. If the District fails to commence the dispute resolution procedure within

four (4) business days after receipt of such notice, any amounts resolved in the Provider's favor shall bear mandatory interest, as set forth in section 218.735(9), Florida Statutes, from the date on which the payment request or invoice containing the disputed amounts was Date Stamped. If the dispute resolution procedure is not commenced within four (4) business days after receipt of the notice, the objection to the payment request or invoice shall be deemed waived. The waiver of an objection pursuant to this paragraph does not relieve a Provider of its contractual obligations.

- ~~34.~~ Absent a written agreement to the contrary, if the Provider refuses or fails to provide the written statement required above, the Agent and/or District Manager is not required to contact the Provider in the investigation. In addition, and absent a written agreement to the contrary, if such written statement is not provided, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider.
- ~~45.~~ The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars (\$10,000).
- ~~56.~~ A written explanation of the final decision shall be sent to the Provider, via certified mail, within five (5) business days from the date on which such final decision is made. A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.
- ~~67.~~ If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider. If the costs of the third party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

X. Late Payment Interest Charges

* * *

B. Related to Construction Services

Prompt Payment Policies

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month for contracts executed on or before June 30, 2021, and at the rate of two percent (2%) per month for contracts executed on or after July 1, 2021, or the rate specified by agreement, whichever is greater. §218.735(9), Fla. Stat. The Provider must submit a Proper Payment Request to the District for any interest accrued in order to receive the interest payment. An overdue period of less than one (1) month is considered as one (1) month in computing interest. (§218.74(4), Fla. Stat.).

Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

These Policies & Procedures are adopted by the District to provide guidance in contracting matters. Failure by the District to comply with these Policies & Procedures shall not expand the rights or remedies of any Provider (hereinafter defined) against the District under the PPA. B. Payment Requests for Construction Services

1. Receipt of Proper Payment Request

The time at which payment is due for Construction Services from the District is as follows:

- a. If an Agent must approve the payment request before it is submitted to the District Manager, payment (whether full or partial) is due twenty-five (25) business days after the payment request is Date Stamped. The Provider may send the District an overdue notice. If the payment request is not rejected within four (4) business days after Date Stamp of the overdue notice, the payment request shall be deemed accepted, except for any portion of the payment request that is fraudulent, misleading or is the subject of dispute.

The agreement between the District and the Provider shall identify the Agent to which the Provider shall submit its payment request, or shall be provided by the District through a separate written notice no later than ten (10) days after contract award or notice to proceed, whichever is later. Provider's submission of a payment request to the Agent shall be Date Stamped, which shall commence the time periods for payment or rejection of a payment request or invoice as provided in this section.

- b. 3. Payment of Undisputed Portion of Payment Request

If the District disputes a portion of a payment request, the undisputed portion shall be paid in a timely manner and in accordance with the due dates for payment as specified in this section.

VII. Resolution of Disputes

If a dispute arises between a Provider and the District concerning payment of an invoice or payment request, the dispute shall be resolved as set forth in §218.735, Fla. Stat., for Construction Services, and §218.76, Fla. Stat. for Non-Construction Goods and Services.

A. Dispute between the District and a Provider

If a dispute between the District and a Provider cannot be resolved following resubmission of a payment request by the Provider, the dispute must be resolved in accordance with the dispute resolution procedure prescribed in the construction contract, if any. In the absence of a prescribed procedure in the contract, the dispute must be resolved by the procedures specified below.

B. Dispute Resolution Procedures

1. If an Improper Payment Request or Improper Invoice is submitted, and the Provider refuses or fails to submit a revised payment request or invoice as contemplated by the PPA and these Policies and Procedures, the Provider shall, not later than thirty (30) days after the date on which the last payment request or invoice was Date Stamped, submit a written statement via certified mail to the Agent, copying the District Manager, specifying the basis upon which the Provider contends the last submitted payment request or invoice was proper.

If the District fails to commence the dispute resolution procedure within 4 business days after receipt of such notice, any amounts resolved in the Provider's favor shall bear mandatory interest, as set forth in section 218.735(9), Florida Statutes, from the date on which the payment request or invoice containing the disputed amounts was Date Stamped. If the dispute resolution procedure is not commenced within 4 business days after receipt of the notice, the objection to the payment request or invoice shall be deemed waived. The waiver of an objection pursuant to this paragraph does not relieve a Provider of its contractual obligations.
4. Absent a written agreement to the contrary, if the Provider refuses or fails to provide the written statement required above, the Agent and/or District Manager is not required to contact the Provider in the investigation. In addition, and absent a written agreement to the contrary, if such written statement is not provided, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider.
5. The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars (\$10,000).
6. A written explanation of the final decision shall be sent to the Provider, via certified mail, within five (5) business days from the date on which such final decision is made. A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.

7. If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider. If the costs of the third party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

VIII. Purchases Involving Federal Funds or Bond Funds

When the District intends to pay for a purchase with federal funds or bond funds, the District shall make such purchases only upon reasonable assurances that federal funds or bond funds sufficient to cover the cost will be received. When payment is contingent upon the receipt of bond funds, federal funds or federal approval, the public procurement documents and any agreement with a Provider shall clearly state such contingency. (§218.77, Fla. Stat.).

IX. Requirements for Construction Services Contracts – Project Completion; Retainage

The District intends to follow the PPA requirements for construction project completion and retainage, including, but not limited to, §218.735 (7) and (8), Fla. Stat.

X. Late Payment Interest Charges

Failure on the part of the District to make timely payments may result in District responsibility for late payment interest charges. No agreement between the District and a Provider may prohibit the collection of late payment interest charges allowable under the PPA as mandatory interest. (§218.75, Fla. Stat.).

A. Related to Non-Construction Goods and Services

All payments due from the District, and not made within the time specified within this policy, will bear interest, from thirty (30) days after the due date, at the rate of one percent (1%) per month on the unpaid balance. The Vendor must submit a Proper Invoice to the District for any interest accrued in order to receive the interest payment. (§218.735(9), Fla. Stat.).

An overdue period of less than one (1) month is considered as one (1) month in computing interest. Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

B. Related to Construction Services

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month for contracts executed on or before June 30, 2021, and at the rate of two percent (2%) per month for contracts executed on or after July 1, 2021, or the rate specified by agreement, whichever is greater. §218.735(9), Fla. Stat. The Provider must submit a Proper Payment Request to the District for any interest accrued in order to receive the interest payment. An overdue period of less than one (1) month is considered as one (1) month in computing interest. (§218.74 (4), Fla. Stat.).

Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

C. Report of Interest

If the total amount of interest paid during the preceding fiscal year exceeds \$250, the District Manager is required to submit a report to the Board during December of each year, stating the number of interest payments made and the total amount of such payments. (§218.78, Fla. Stat.).

RE: Public Records Exemptions Advisory Notice

As you may know, during the 2021 legislative session section 119.071, Florida Statutes, was revised to include additional requirements regarding the public records exemption for home addresses, telephone numbers, dates of birth, photographs, and other information associated with certain officers, employees, justices, judges, or other persons identified in section 119.071(4)(d)2. In particular, section 119.071(4)(d)3. now provides that the custodian of such information must maintain its exempt status where the subject officer, employee, justice, judge or person, or employing agency of the designated employee submits a written *and notarized* request for maintenance of the exemption to the custodial agency. Further, the *request must state under oath the statutory basis for the individual's exemption request and confirm the individual's status as a party eligible for exempt status*. The italicized requirements for notarization and a statement under oath as to the statutory basis for the exemption request are new requirements that became effective July 1, 2021.

Please ensure district records custodians and other appropriate personnel have been appropriately advised of these changes for purposes of evaluating exemptions for future public records requests.

Re: State Mandated – Storm Water Need Analysis (20 years)

GENERAL CONDITIONS

PAYMENT TERMS - Payment is due upon receipt of our invoice. If payment is not received within thirty days from the invoice date, Client agrees to pay a finance charge on the principal amount of the past due account of one and one-half percent per month. If one and one-half percent per month exceeds the maximum allowed by law, the charge shall automatically be reduced to the maximum legally allowable.

In the event Client requests termination of the services prior to completion, the Client shall pay all outstanding invoices and all charges incurred between the issuance of the latest invoice through the date services are stopped plus any shutdown costs. If during the execution of the services, England, Thims & Miller, Inc. (ETM) is required to stop operations as a result of changes in the scope of services such as requests by the Client or requirements of third parties, additional charges will be applicable.

ETM will issue monthly invoices. For Lump Sum work, the invoice will reflect the percentage complete for each contract task item. For hourly services, the invoice will reflect the hours worked times the standard hourly billing rates as shown on Attachment A, (incorporated herein by reference). ETM's standard hourly billing rates are reevaluated annually prior to the beginning of the calendar year and subject to an increase not to exceed five (5) percent per year.

INSURANCE – ETM maintains Workers' Compensation and Employer's Liability Insurance in conformance with applicable state law. In addition, we maintain Comprehensive General Liability Insurance and Automobile Liability Insurance with bodily injury and property damage limits of \$1,000,000. A certificate of insurance can be supplied evidencing such coverage which contains a clause providing that ten days written notice be given prior to cancellation.

Cost of the above coverage is included in our quoted fees. If additional coverage or increased limits of liability are required, ETM will endeavor to obtain the requested insurance and charge separately for costs associated with additional coverage or increased limits.

STANDARD OF CARE - The only warranty or guarantee made by ETM in connection with the services performed hereunder, is that we will use that degree of care and skill ordinarily exercised under similar conditions by reputable members of our profession practicing in the same or similar locality. No other warranty, expressed or implied, is made or intended by our proposal for consulting services or by our furnishing oral or written reports.

PERMITTING/ZONING - The Client is herein notified that several City, State and Federal environmental, zoning and regulatory permits may be required for this project. ETM will assist the Client in preparing these permits at the Client's direction. However, the Client acknowledges that it has the responsibility for submitting, obtaining and abiding by all required permits. Furthermore, the Client holds ETM harmless from any losses or liabilities resulting from such permitting or regulatory action.

LIMITATION OF LIABILITY - To the fullest extent permitted by law, and notwithstanding any other provision of this Agreement, the total liability, in the aggregate, of England, Thims & Miller, Inc. and its officers, directors, partners, employees, agents and subconsultants, and any of them, to the Client and anyone claiming by, through or under the Client, for any and all claims, losses, costs or damages of any nature whatsoever arising out of, resulting from or in any way related to the Project or the Agreement from any cause or causes, including but not limited to the negligence, professional errors or omissions, strict liability, breach of contract or warranty, express or implied, of ETM and its officers, directors, employees, agents or subconsultants, or any of them, shall not exceed the total compensation received by ETM under this Agreement, or the total amount of \$50,000.00, whichever is less.

If Client prefers to have higher limits on professional liability, ETM agrees to increase the limits up to a maximum of \$500,000 upon Client's written request at the time of accepting this proposal provided that the Client agrees to pay an additional charge as a result of such increase.

SEVERABILITY AND SURVIVAL - If any of the provisions contained in this AGREEMENT are held invalid, illegal, or unenforceable, such invalidity, illegality or unenforceability will not affect any other provision, and this AGREEMENT will be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

GOVERNING LAW - This agreement shall be governed in all respects by the laws of the State of Florida.

COST OPINIONS - Any cost opinions or Project economic evaluations provided by ETM will be on a basis of experience and judgment, but, since it has no control over market conditions or bidding procedures, ETM cannot warrant that bids, cost estimates, ultimate construction cost, or Project economics will not vary from these opinions.

SALES TAX - The purchaser of the services described herein shall pay any applicable state sales tax in the manner and in the amount as required by law.

OWNERSHIP OF DOCUMENTS - All documents, including, but not limited to drawings, specifications, reports, boring logs, field notes, laboratory test data, calculations and estimates, prepared by ETM as instruments of service pursuant to this Agreement, shall be the sole property of ETM. Client agrees that all documents of any nature furnished to Client or Client's agents or designees, if not paid for, will be returned upon demand and will not be used by Client for any purpose whatsoever. Client further agrees that under no circumstances shall any documents produced by ETM, pursuant to this Agreement be used at any location or for any project not expressly provided for in this Agreement without the written permission of ETM, and ETM will provide Client with copies of documents created in the performance of the work for a period not exceeding five years following submission of the final plans and specifications contemplated by this Agreement.

SAFETY - Should ETM provide periodic observations or monitoring services at the job site during construction, Client agrees that, in accordance with generally accepted construction practices, the contractor will be solely and completely responsible for working conditions on the job site, including safety of all persons and property during the performance of the work and compliance with OSHA regulations, and that these requirements will apply continuously and not be limited to normal working hours. Any monitoring of the contractor's procedures conducted by ETM is not intended to include review of the adequacy of the contractor's safety measures in, on, adjacent to, or near the construction site.

INDEMNIFICATION - In addition, and notwithstanding any other provisions of this Agreement, the Client agrees, to the fullest extent permitted by law, to indemnify and hold harmless ETM and its directors, employees, agents and subconsultants from and against all damage, liability or cost, including reasonable attorneys' fees and defense costs, arising out of or in any way connected with this project or the performance by any of the parties above named of the services under this Agreement, excepting only those damages, liabilities or costs attributable to the sole negligence or willful misconduct of ETM.

PURSUANT TO FLORIDA STATUTES SECTION 558.0035(2013), AN INDIVIDUAL EMPLOYEE OR AGENT MAY NOT BE HELD INDIVIDUALLY LIABLE FOR NEGLIGENCE.

MUTUAL WAIVER OF CONSEQUENTIAL DAMAGES – In no event shall either party hereunder be liable to the other party for punitive, speculative, consequential or special damages of any kind.

CONTRACT ADMINISTRATION - Client agrees that ETM will not be expected to make exhaustive or continuous on-site inspections but that periodic observations appropriate to the construction stage shall be performed. It is further agreed that ETM will not assume responsibility for the contractor's means methods, techniques, sequences or procedures of construction and it is understood that field services provided by ETM will not relieve the contractor of his responsibilities for performing the work in accordance with the plans and specifications. The words "supervision", "inspection", or "control" are used to mean periodic observation of the work by ETM to verify substantial compliance with the plans, specifications and design concepts. Continuous inspections by our employees do not mean that ETM is observing placement of all materials. Full-time inspection means that an employee of ETM has been assigned for eight-hour days during regular business hours.

Construction inspection and monitoring services which exceed 40 hours per week for one individual shall be invoiced at 150% of the standard billing rate.

ASSIGNABILITY - Client and ETM, respectively bind themselves, their successors and assigns to the other party to this Agreement and to the successors and assigns of such other part with respect to all covenants of this Agreement. Neither Client nor ETM shall assign this Agreement without the prior written consent of the other part.

INTEGRATION - This Agreement represents the entire and integrated Agreement between Client and ETM and supersedes all prior negotiations, representations or Agreements, either written or oral. This Agreement may be amended only by written instrument signed by both parties.

LIMITATIONS ON CAUSES OF ACTION - Causes of action between the parties to this Agreement pertaining to acts or failures to act shall be deemed to have occurred and the applicable statutes of limitations shall commence to run not later than (i) the date of substantial completion for acts or failures to act occurring prior to substantial completion of our engineering services pursuant to this Agreement; or (ii) the date of issuance of our final invoice for acts or failure to act occurring after substantial completion of our engineering services pursuant to this Agreement.

THIRD PARTY BENEFICIARY - Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either Client or ETM.

Part 3. The number of current and projected residents served calculated in 5-year increments (Section 403.9302(3)(b), F.S.)					
Any independent special district whose boundaries do not coincide with a county or municipality must submit a GIS shapefile with the current and projected service area. EDR will calculate the appropriate population estimates based on that map. Submission of this shapefile also serves to complete Part 4.0 of this template.			X		ETM District Engineer will provide a GIS shapefile of the CDD boundaries for submittal to EDR.
Part 4.0 The current and projected service area for the stormwater management program or stormwater management system (Section 403.9302(3)(c), F.S.)					
Similarly, if your service area is expected to change within the 20-year horizon, please describe the changes (e.g., the expiration of an interlocal agreement, introduction of an independent special district, etc.).			X		ETM District Engineer will meet with the District Manager to review current and projected service area.

Part 5.0 The current and projected cost of providing services calculated in 5-year increments (Section 403.9302(3)(d), F.S.)

Given the volume of services, jurisdictions should use the template's service groupings rather than reporting the current and projected cost of each individual service. Therefore, for the purposes of this document, "services" means:

1. Routine operation and maintenance (inclusive of the items listed in Part 1.3 of this document, ongoing administration, and non-structural programs)
2. Expansion (that is, improvement) of a stormwater management system.

Expansion means new work, new projects, retrofitting, and significant upgrades. Within the template, there are four categories of expansion projects.

1. Flood protection, addressed in parts 5.2 and 5.3... this includes capital projects intended for flood protection/flood abatement
2. Water quality, addressed in part 5.2 and 5.3... this includes stormwater projects related to water quality improvement, such as BMAPs; projects to benefit natural systems through restoration or enhancement; and stormwater initiatives that are part of aquifer recharge projects
3. Resiliency, addressed in part 5.4... this includes all major stormwater initiatives that are developed specifically to address the effects of climate change, such as sea level rise and increased flood events
4. End of useful life replacement projects, addressed in part 6.0... this includes major expenses associated with the replacement of aging infrastructure

While numbers 3 and 4 have components that would otherwise fit into the first two categories, they are separately treated given their overall importance to the Legislature and other policymakers.

Expansion projects are further characterized as currently having either a committed funding source or no identified funding source. Examples of a committed funding source include the capacity to absorb the project's capital cost within current budget levels or forecasted revenue growth; financing that is underway or anticipated (bond or loan); known state or federal funding (appropriation or grant); special assessment; or dedicated cash reserves for future expenditure.

All answers should be based on local fiscal years (LFY, beginning October 1 and running through September 30). Please use nominal dollars for each year, but include any expected cost increases for inflation or population growth. Please check the EDR website for optional growth rate schedules that may be helpful.

Part 5.1 Routine Operation and Maintenance

Please complete the table below, indicating the cost of operation and maintenance activities for the current year and subsequent five-year increments throughout the 20-year horizon. Your response to this part should exclude future initiatives associated with resiliency or major expenses associated with the replacement of aging infrastructure; these activities are addressed in subparts 5.4 and 6.0. However, do include non-structural programs like public outreach and education in this category.

If specific cost data is not yet available for the current year, the most recent (2020-21) O&M value can be input into the optional growth rate schedules (available on EDR's website as an Excel workbook). The most recent O&M value can be grown using the provided options for inflation, population growth, or some other metric of your choosing. If the growth in your projected total O&M costs is more than 15% over any five-year increment, please provide a brief explanation of the major drivers.

Part 5.2 Future Expansion (Committed Funding Source)

Please list expansion projects and their associated costs for the current year and subsequent five-year increments throughout the 20-year planning horizon. In this section, include stormwater system expansion projects or portions of projects with a committed funding source. If you include a portion of a project that is not fully funded, the project's remaining cost must be included in part 5.3, Expansion Projects with No Identified Funding Source.

Though many, if not most, stormwater projects benefit both flood protection and water quality, please use your best judgment to either allocate costs or simply select the primary purpose from the two categories below.

5.2.1 Flood Protection (Committed Funding Source): Provide a list of all scheduled new work, retrofitting and upgrades related to flood protection/flood abatement. Include infrastructure such as storage basins, piping and other conveyances, land purchases for stormwater projects, etc. Also include major hardware purchases such as vector/jet trucks.

District Engineer	District Manager	Comments
	X	ETM District Engineer can review the CDD's O&M budget with the District Manager to assist with development of the cost estimates.
X		ETM District Engineer will assist the District Manager with this task.

5.2.2 Water Quality Projects (Committed Funding Source): Please provide a list of scheduled water quality projects in your jurisdiction, such as treatment basins, alum injection systems, green infrastructure, water quality retrofits, etc., that have a direct stormwater component. The projected expenditures should reflect only those costs.

- If you are party to an adopted BMAP, please include the capital projects associated with stormwater in this table. Include BMAP project number, cost to your jurisdiction, and year(s) that capital improvement costs are to be incurred. For reference, DEP publishes a complete list of adopted BMAP projects as an appendix in their Annual STAR Report.

Part 5.3 Future Expansion with No Identified Funding Source

Please provide a list of known expansion projects or anticipated need(s) without formal funding commitments(s), formal pledges, or obligations. If you included a portion of a project that was partially covered by a committed source in part 5.2 above, list the projects and their remaining costs below.

5.3.1 Future Flood Protection with No Identified Funding Source: Please provide a list of future flood protection/flood abatement projects, associated land purchases, or major hardware purchases that are needed in your jurisdiction over the next 20 years. Future needs may be based on Master Plans, Comprehensive Plan Elements, Water Control Plans, areas of frequent flooding, hydrologic and hydraulic modeling, public safety, increased frequency of maintenance, desired level of service, flooding complaints, etc.

5.3.2 Future Water Quality Projects with no Identified Funding Source: Please provide a list of future stormwater projects needed in your jurisdiction over the next 20 years that are primarily related to water quality issues. Future needs may be based on proximity to impaired waters or waters with total maximum daily loads (TMDLs), BMAPs, state adopted Restoration Plans, Alternative Restoration Plans, or other local water quality needs.

- If you are party to an adopted BMAP, please list capital projects associated with stormwater. Include BMAP project number, cost to your jurisdiction, and year(s) that capital improvement costs are to be incurred.
- List other future water quality projects, including those in support of local water quality goals as well as those identified in proposed (but not yet adopted) BMAPs.

Rather than reporting the exact number of useful years remaining for individual components, this section is constructed to focus on infrastructure components that are targeted for replacement and will be major expenses within the 20-year time horizon. Major replacements include culverts and pipe networks, control structures, pump stations, physical/biological filter media, etc. Further, the costs of retrofitting when used in lieu of replacement (such as slip lining) should be included in this part. Finally, for the purposes of this document, it is assumed that open storage and conveyance systems are maintained (as opposed to replaced) and have an unlimited service life.

In order to distinguish between routine maintenance projects and the replacement projects to be included in this part, only major expenses are included here. A major expense is defined as any single replacement project greater than 5% of the jurisdiction's total O&M expenditures over the most recent five-year period (such as a project in late 2021 costing more than 5% of the O&M expenditures for fiscal years 2016-2017 to 2020-2021).

If you have more than 5 projects in a particular category, please use the "Additional Projects" tab. There, you can use dropdown lists to choose the project category and whether there is a committed funding source, then enter the project name and expenditure amounts.

Part 7.0 The most recent 5-year history of annual contributions to, expenditures from, and balances of any capital account for maintenance or expansion of any facility or its major components. (Section 403.9302(3)(f), F.S.)

This part of the template also addresses a portion of s. 403.9302(3)(g), F.S., by including historical expenditures. Many local governments refer to these as "actual" expenditures.

Consistent with expenditure projections, the jurisdiction's actual expenditures are categorized into routine O&M, expansion, resiliency projects, and replacement of aging infrastructure. Additionally, the table includes space for reserve accounts. EDR's interpretation of subparagraph 403.9302(3)(f), F.S., is that "capital account" refers to any reserve account developed specifically to cover future expenditures.

Note that for this table:

- Expenditures for local fiscal year 2020-21 can be estimated based on the most current information if final data is not yet available.
- Current Year Revenues include tax and fee collections budgeted for that fiscal year as well as unexpended balances from the prior year (balance forward or carry-over) unless they are earmarked for the rainy day or a dedicated reserve as explained in the following bullets.
- Bond proceeds should reflect only the amount expended in the given year.
- A reserve is a dedicated account to accumulate funds for a specific future expenditure.
- An all-purpose rainy day fund is a type of working capital fund typically used to address costs associated with emergencies or unplanned events.

The sum of the values reported in the "Funding Sources for Actual Expenditures" columns should equal the total "Actual Expenditures" amount. The cells in the "Funding Sources for Actual Expenditures" section will be highlighted red if their sum does not equal the "Actual Expenditures" total.

If you do not have a formal reserve dedicated to your stormwater system, please enter zero for the final two reserve columns.

Part 8.0 The local government's plan to fund the maintenance or expansion of any facility or its major components. The plan must include historical and estimated future revenues and expenditures with an evaluation of how the local government expects to close any projected funding gap (Section 403.9302(3)(g), F.S.)

In this template, the historical data deemed necessary to comply with s. 403.9302(3)(g), F.S., was included in part 7.0. This part is forward looking and includes a funding gap calculation. **The first two tables will be auto-filled from the data you reported in prior tables.** To do this, EDR will rely on this template's working definition of projects with committed funding sources, *i.e.*, EDR assumes that all committed projects have committed revenues. Those projects with no identified funding source are considered to be unfunded. EDR has automated the calculation of projected funding gaps based on these assumptions.
